Dummy in Bed Helps  
Lehman Inmate Escape

Clemon Leon McFadden, 31, escaped from Camp Lehman sometime between 4:55 a.m. and 8:20 a.m. on Wednesday, October 12. McFadden had fashioned a dummy and placed it in his bed, and was not discovered missing until the shift change head count was taken.

There was light snow covering the ground Wednesday morning, and Camp Lehman personnel were able to follow McFadden's footprints out the front gate. His footprints ended at M-93, and camp officials speculate that someone was waiting to pick him up. It is presumed that McFadden followed the sewage truck out the gate in the cover of darkness.

McFadden is a black male, 5'5" tall with a slight build of 130 pounds. When he escaped, McFadden was wearing blue denim prison issue clothing.

McFadden is from Flint, and had been sentenced in Genesee County. He was serving 4-7½ years for back to back sentences for carrying a concealed weapon. This type of sentence means that he was ineligible to earn points toward parole for three of his first four years in prison.

The Crawford County Avalanche was notified of the escape by Camp Lehman officials at 9:50 a.m.

Car Misses Curve  
At Elementary School

Vernon Robert Sidelinker, 73, of Germfask, lost control of his vehicle on the snowy wet pavement Tuesday, October 11, as he was attempting to maneuver the curve on Michigan Avenue in front of the Grayling Elementary School.

Sidelinker's vehicle jumped the curb, blowing two tires, traveled over 100 feet across the elementary school's front lawn and crashed into two vehicles parked in the school's parking lot. The vehicles in the parking lot that were damaged belong to James Stewart Phelps and Dale Nicholas, both of Grayling.

Sidelinker was cited by the Grayling City Police for driving too fast for conditions and for having improper plates on his vehicle.

There were no injuries involved in the accident.

Bus Driver Warns  
Residents About Fire

Several residents of 212 Alger Street escaped injury on Sunday, October 16, when Gayla Isenhauer, driver for Crawford County Dial-a-Ride, notified her dispatcher, Gary Sheldon, at 7:45 a.m. that she saw what she believed to be smoke coming from the building. When police officers arrived at the scene, they woke up residents of the apartment house, and everyone escaped without injury.

The fire was contained to one upstairs apartment; however, the entire upstairs sustained heavy smoke damage. The downstairs apartments suffered water damage.

The fire was caused by careless smoking in bed.

Emergency services were provided by the Grayling City Police, the Grayling City and Township Fire Department and the Crawford County Sheriff Department.

County Keeps Extra  
1988 Tax Revenues

By Irene Pettyjohn

The Crawford County Board of Commissioners set the County's general operation's millage rate at 6.5 mills for the 10th consecutive year at their October 11th meeting. The Commissioners also set the Crawford County Public Transit rate at .75 mills, Commission on Aging at .25 mills and the Grayling Recreation Authority at .25 mills.

This action was taken following the Truth in Taxation public hearing that was held at 10:00 a.m. on Thursday, September 29.

The Truth in Taxation Law, which began in 1982, prohibits a county from receiving increased revenues from property taxes because of increased State Equalization Values (SEV) to an amount greater than the previous years revenues unless a Truth in Taxation public hearing is held.

Public Act 106 and 107 adds liquor and cigarette tax revenues, which the state considers local taxes, to property tax revenues automatically and must be included in the Truth in Taxation hearing. If a Truth in Taxation public hearing is not held explaining that the County is receiving additional revenue, the millage rate set by the County must be reduced to a level which keeps County revenues the same as the previous year.

Crawford County began receiving Liquor Tax revenues in 1987, and will begin receiving cigarette tax revenues in 1989. These revenues are received by the County and must be considered County taxes; however, the State of Michigan determines how many of these tax dollars can be spent.

Liquor tax revenues for 1989 are antici-

pated to be \$21,226.00. The State of Michigan stipulates that one-half (\$10,613.00) of this total must be appropriated to the County's substance abuse agency, which is Northern Michigan Substance Abuse Services. The remaining one-half may be used by the County through its general fund.

Crawford County anticipates that it will receive \$23,238.00 in cigarette tax revenues. These revenues must be appropriated to the following agencies: 64.71% or \$15,037.00 to Public Health; 29.41% or \$6,834.00 to Jail operations/or courts, and 5.88% or \$1,367.00 to general fund.

Cigarette tax money allocated to Public Health must be in addition to the revenues budgeted to Public Health in the County budget. Counties may not reduce their public health budgets to equal this allocation.

Crawford County Board of Commissioners' chairman, Lawrence Mattis, explained the purpose of the public hearing to those in attendance, and stated that the Board of Commissioners had not received any written comments regarding the County millage. During the hearing there were no comments or questions regarding the millage issue. The hearing was adjourned at 11:00 a.m.

The Crawford County Board of Commissioners is required by law to wait at least seven days before they can determine the County's millage rate.

Without the Truth in Taxation public hearing the County would have had to reduce its 6.50 millage rate to 6.01.

Taxes collected in December of 1988 are considered 1988 taxes; however, they are used in the County's 1989 budget.

Grayling Housing Commission  
Awarded \$330,000 Grant

The Grayling Housing Commission has been awarded a \$330,000 grant by the United States Department of Housing and Urban Development (HUD) to upgrade and repair AuSagra Acres and AuSagra Manor apartment buildings.

According to Congressman Bob Davis, the Comprehensive Improvement Assistance Program (CIAP) grant funds will be used to replace roofs and windows in the housing complex.

In addition to the re-roofing of 21 apartment buildings and replacement of the win-

dows in 70 apartments, Guy Quigley, Executive Director of the Grayling Housing Commission, said that grant funds will also be used to finance some much needed renovation work. These renovations will include the replacement of 7 boilers, 25 hot water heaters, 70 cooking stoves and new carpeting for 48 units housing the elderly. Under Management Improvement, grant monies will be used to purchase a new copying machine and computer for the Grayling Housing Commission office.

United Way Auction  
Returns Nov. 5 Here

The commercial division of United Way of Crawford County has been working hard to make this year's live auction bigger and better than ever. The auction will be held on Saturday, November 5th at the Knights of Columbus Hall. There will be guest auctioneers, surprise packages, and the giant prize board will be back again with some new ideas.

One of this year's repeat items is the Sisters of Mercy very special dinner for 8 held at their home on Lake Margrethe. This dinner offers a choice turkey, steak or fish, with appropriate side dishes and wines. The Hospitality House is donating a weekend for two. Two nights in a jacuzzi suite with flowers, and champagne in etched wine glasses. Also included in the package are four breakfasts (two each morning) and dinner for two at the Iron Gate Restaurant.

Showtime Video has donated that wonderful film "E-T". Penrod's Canoe Livery will give a four-hour canoe trip with two canoes. David Sabin is contributing the preparation of two Wills, and for those with a sweet tooth, there will be three very special cookie trays to eat now or freeze and save for the holidays.

This year brings a great improvement in the speaker system, plus remote TV coverage to make sure everyone can hear and see what is happening on the podium. This will be installed by resident electronic expert Steve Sauter. Plus, there will be waitresses to bring you food and drink so you won't have to get up and take a chance of missing a bid on a favorite item.

The live auction is Crawford County's biggest fund raiser for United Way. Because of the auction there is no need for door to door solicitation. Merchants donate items and the wonderful people of Grayling come to the auction, bid on these items, and all proceeds go to United Way. You win two ways. You support United Way, and you take home something special.

Tickets are just \$5 and are available at

Mac's Drugs, Cornell Insurance, Weaver's Gifts, Flo's Hallmark, or from any United Way volunteer. Crawford County's total goal is \$62,000. Only you can make it happen.

OCTOBER SNOWMAN — Mike Strouse and his mother took time last Tuesday to create what must be the season's first snowman. This little fellow is only 18 inches tall, and only stayed to play with Mikey for one day.

School Board Discusses  
AIDS Control Policy

The Crawford AuSable School Board is considering a policy to handle AIDS and other communicable diseases in the schools.

At their October 10th meeting the board reviewed a proposed policy drafted by local physicians, representatives from the Dept. of Public Health, the Board of Education Policy Committee, a representative from the teacher's union, and district administrators.

The key portion of the policy outlines actions when a student or staff member has a communicable disease that is not known to be spread by casual contact such as AIDS, hepatitis B, and other like diseases.

In each case, a panel must meet immediately to review the case and develop a recommendation for the superintendent.

The review panel will be made up of the physician treating the individual, a public health official, a child or employee advocate, a school representative, a district administrator other than the superintendent, and the parent/guardian (or student if 18 or older) or the employee or the employee's representative.

After the panel offers a recommendation, the superintendent can follow it, reject it, or modify the recommendation. The policy contains an appeal process.

Under the proposed policy, the panel will operate under the recommendations of the Centers for Disease Control, the Michigan Dept. of Public Health, the Michigan Dept. of Civil Rights, the Mich. Dept. of Educa-

tion, and the Governor's Expert Committee on AIDS. These recommendations include:

1) For most infected school age children, the benefits of an unrestricted setting would outweigh the risks of their acquiring potentially harmful infections in the setting and the apparent nonexistent risk of transmission to others.

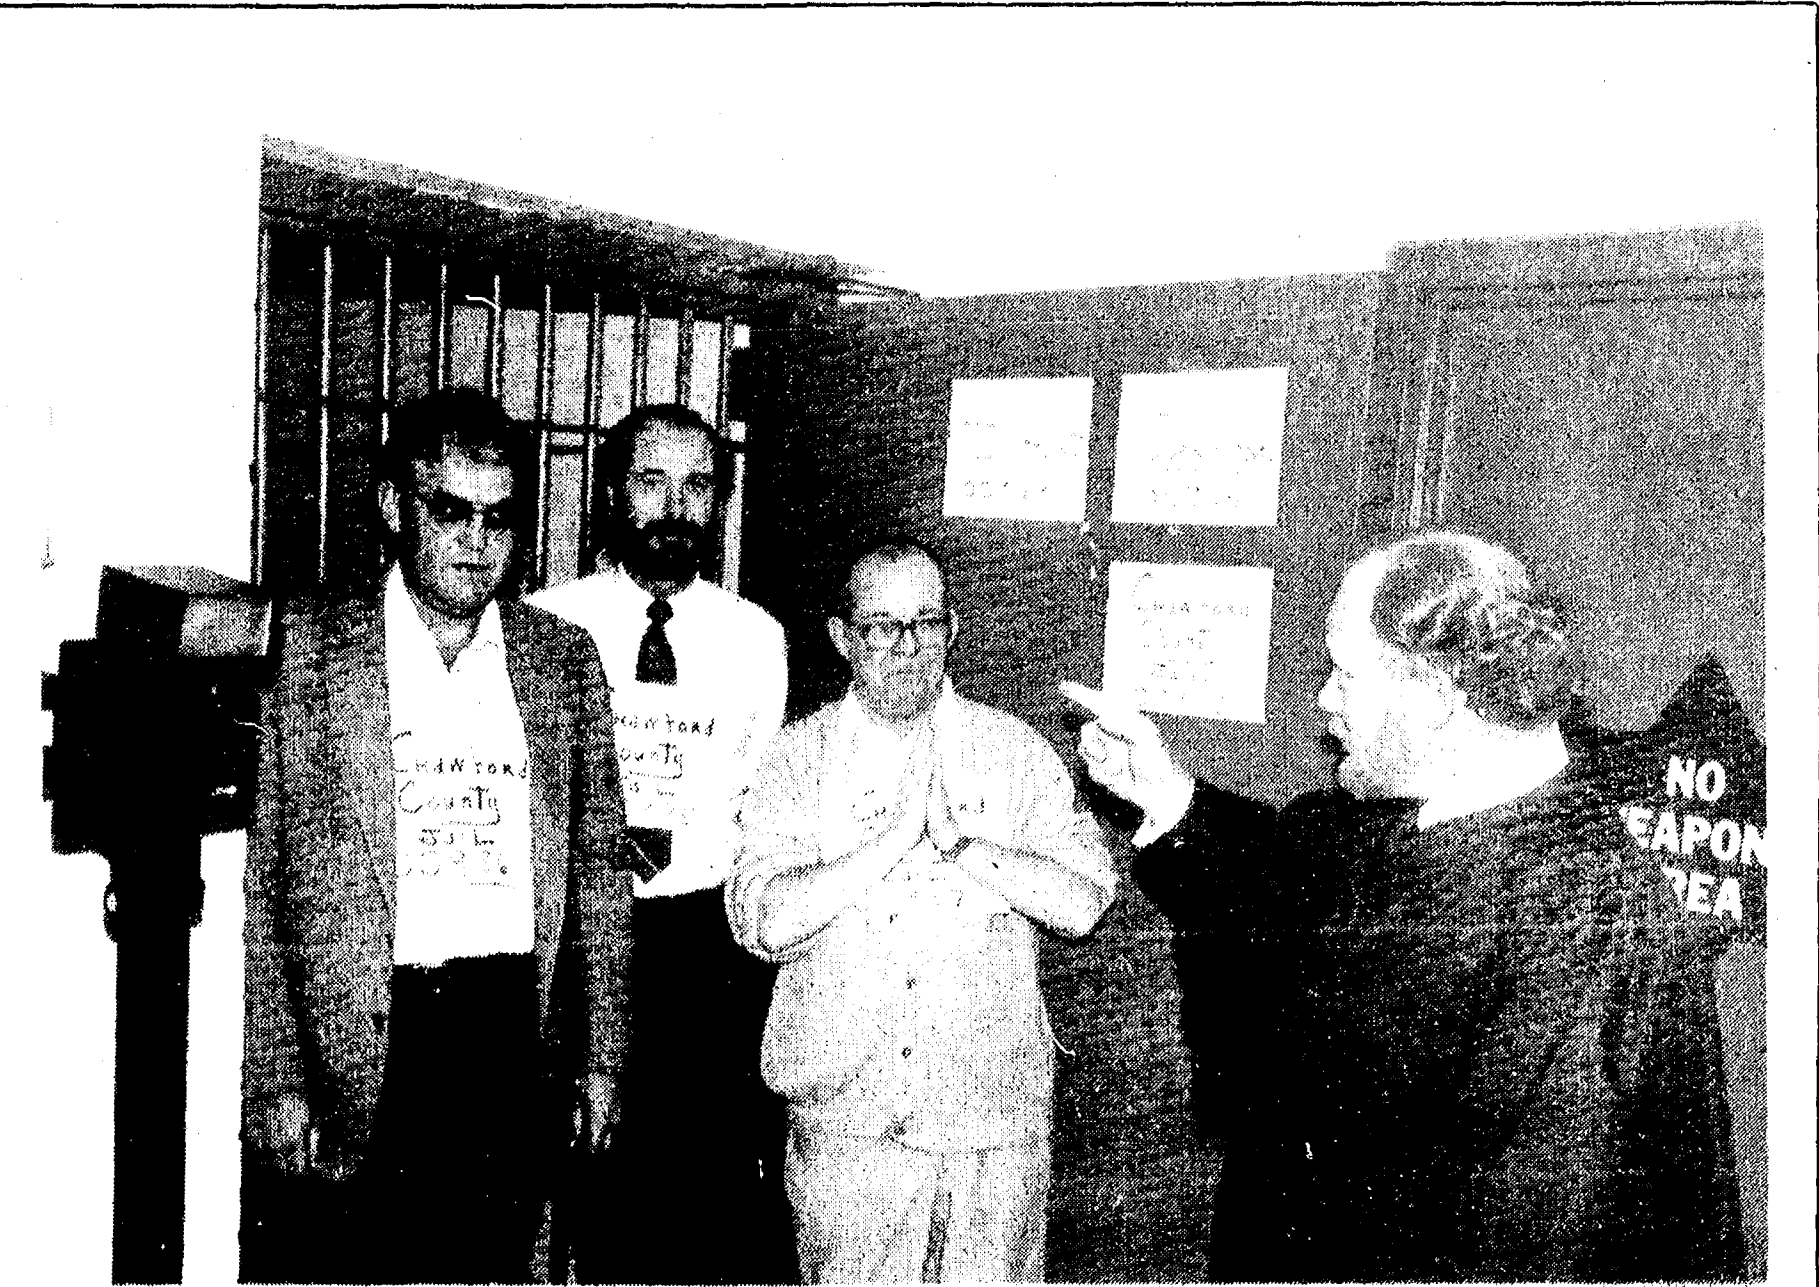

2) Generally school employees do not need to be restricted from work if infected unless there is evidence that other infection or illness that exists may be spread by casual contact in the school setting or the illness precludes them from performing the functions for which they were employed.

The proposed policy also requires that procedures be established and for handling blood or body fluids within the school setting or on school buses. Instruction for all school personnel is scheduled for Nov. 7th.

Curriculum is also being developed to teach students the principle modes by which communicable diseases, including AIDS, are spread and the best methods for restriction and prevention of these diseases.

The proposed policy is similar to a model policy provided by the State Board of Education in March of 1988 and endorsed by the district Attorneys, the Attorney General's office, the Mich. Dept. of Civil Rights, and the Mich. Dept. of Public Health.

Copies of the proposed policy are available in the central office. The school board will be considering the policy for adoption at their Nov. 14th meeting.

## Business Community Joins United Way Campaign

United Way... It's working here in the business community of Crawford County. Donna O'Grady, 1988 Campaign Chairperson, announces that Hardee's Restaurant of Grayling has joined the many businesses, industries and institutions that are helping our United Way.

### Rotary Bash Offers \$4000 1st Prize Value

A super deluxe dinner, refreshments and a gigantic prize night is being sponsored again this year as a fund raiser by the Grayling Rotary Club.

The evening of fun and prizes will include as the grand award a complete home entertainment center consisting of a TV, VCR, compact disc player, and speakers with a retail value of about \$4,000. Other awards will include camcorders, TV's, roll top desk, Lane chair, a watch and \$500 cash.

The annual event will be held at the Knights of Columbus Hall in Grayling on October 29. The evening begins at 6:30 p.m. with an "attitude adjustment hour" including refreshments and jumbo shrimp among the many hors d'oeuvres. The dinner at 7:30 p.m. will feature prime rib with all of the trimmings.

Tickets for the gala affair will be \$60 per person with the proceeds going toward the good works programs supported by the Grayling Rotary Club. Tickets may be obtained from any Grayling Rotarian.

From now through November 4, Hardee's of Grayling will donate 25 cents from the sale of each regular and big roast beef sandwich to the Crawford County United Way. Doug McGregor, Grayling Hardee's manager, said, "We're hoping to help the community as much as we can. We feel the United Way does a super job in assisting the community and its citizens."

Hardee's, which is located on the South I-75 Business Loop, has been in operation since August 24, 1988. A representative from the company's headquarters told O'Grady that Hardee's is "proud to help such a worthwhile community service organization."

Two downtown merchants are also reaching out to give to United Way. Ivie Girl and Kathleen's Plus Fashions are pooling their efforts to

stage a "Fall Fashion Fund Raiser."

The show will be held in the main dining room of Chief Shoppenagons Motor Hotel on Tuesday, October 25, at 7:30 p.m. Donations are \$5 (or \$10 for dinner and show). Hors d'oeuvres and wine will be served and a cash bar will be open to guests.

Karen Kammer, owner of Ivie Girl, says that the fashion show will feature customers as models who will show the range of clothes available at both businesses. A drawing for a \$100 shopping spree will be held and door prizes from several Grayling merchants will be given away. Proceeds from admission tickets and raffle sales will be donated directly to the Crawford County United Way.

Kammer predicts an evening that is fun, relaxing and entertaining. She and Kathy Ashton, owner of Kathleen's Plus Fashions, plan to offer entertainment between segments of the style show, as well as quiet times for guests to visit with each other.

The 1988 Campaign Kick-Off was held on October 3. From now through early November, volunteers will be working hard to meet the local goal of \$62,000.

**HARDEE'S HELPS UNITED WAY** — Harold Meeuwes, Assistant Manager of the local Hardee's Restaurant, offers an ice cream cone to Donna O'Grady, 1988 campaign chairperson for the Crawford County United Way. Hardee's will donate 25 cents from each roast beef sandwich sold between now and November 4 to the local United Way campaign.

## Grayling Housing Commission Awarded \$330,000 Grant

(Continued from page 1)

Guidelines for CIAP funds are set by the United States Congress through the HUD office.

The AuSagra Acres housing project was constructed in three sections. Project 47-1 was built in 1960, project 47-2 in 1970 and the 18 senior citizen units, AuSagra Manor, were completed in 1983.

Most of the repairs will occur in the 47-1 and 47-2 apartments.

Quigley said that the approved repairs, replacements and renovations will begin in approximately nine months. He said that it will take that long to complete the three phases of the grant.

In 1987, the Grayling Housing Commission received a \$283,000 CIAP grant to upgrade the electrical wiring in the housing project.

These repairs are expected to begin in two weeks. Quigley explained that HUD's lead based point testing program, which has recently been postponed until next year, was responsible for holding up the electrical work for more than three months.

The Grayling Housing Commission is one of the smallest housing commissions in Michigan; however, the 1987 grant was the 6th largest grant approved for the State.

"It is our turn," said Quigley. "Funds are disbursed according to need, and our housing facility is in need of some major repairs."

The Grayling Housing Commission received \$14,000 to install an emergency alarm system in 47-1 and 47-2 which routes all emergency calls directly to the Crawford County Sheriff Department's switchboard.

### Hanson Hills Ski Swap Offers New Format This Year

The annual Ski Swap will be held on November 5 and 6 from noon till 8:00 p.m. This year will start a new format for the ski swap; all equipment must be dropped off at Hanson Hills on October 29 and 30 between noon and 6:00 p.m. or on November 3, between 5:00 - 9:00 p.m.

All equipment will be sold for you. Sorry, no equipment can be dropped off the day of the sale. This sale includes equipment and clothing.

### Warblers Increasing

A 1988 census shows Michigan's rare Kirtland's warbler population has rebounded significantly, with an increase of 40 males reported over last year's poor count of 167, leaving wildlife biologists optimistic about the warbler future.

Five additional sightings of the male birds in Wisconsin, the only other sightings reported outside Michigan, bring the total world count to 212.

The census figures were announced in the Natural Resources Register.

### Builders Group To Tour Plant

The Tri-Lakes Home Builders Assoc. met recently at the Grayling Bear's Country Inn. The associate members were honored and Dan Anderson of Wolohan Lumber was selected as associate member of the year. His name will be sent to the state level for selection of the MHBA associate of the year.

The next meeting of the Tri-Lakes HBA will be held Tuesday, Oct. 25th, at Weyerhaeuser in Grayling at 4 p.m. The business meeting and meal will follow a tour of the plant. Anyone interested in attending should call 275-5703 for reservations.

### AARP Meets October 24

The American Association of Retired Persons of Crawford County, will hold the October meeting on Monday the 24th at 1 p.m. at 308 Lawndale.

Joe Wakeley will be the guest speaker.

Refreshments will be served and visitors are always welcome.

### .20 Millage Needed For Senior Programs

Dear Mr. Thompson:

It appears as though a significant number of voters during the August primary were still under the impression that a request by the Commission on Aging for .20 mills was aimed at constructing or leasing a new building for its operations.

Actually the millage was to have been used for the housing costs directly asso-

ciated with the existing facility on Lawndale Drive. The two issues on the ballot covered programs and building costs and were separated in that manner so that voters could see exactly where the funds would be applied.

When citizens reached the conclusion that the .20 mills would be used to purchase or lease a building, they expressed their opinion by a no vote.

Unfortunately it actually meant that programs would have to be operated without a facility in which to operate them.

In order to continue operations then it would be necessary to take money from the program operation in order to pay rental fees, utilities and maintenance for the next four years. The alternative is to return to the

voters on November 8 with another proposal for .20 mills but this time placing more emphasis on the importance of this issue to the entire operation of the Commission on Aging program.

There is a shortfall of about \$35,000 which must be either absorbed by eliminating or cutting back on programs or made up through the cooperation of voters by passing the

November millage request.

Vital programs such as homemaking services, personal care and home delivered meals will suffer if the millage fails. In short, failure will create havoc in the operation.

We rely on the good judgment of the voters to support this very important program.

Mary Harland  
Chairperson,  
Commission on Aging

## Northern Views

By Jon Thompson  
Avalanche Editor

A news release came in the Avalanche a few weeks ago from a local organization that benefits quite a few people here.

The organization needed more volunteers and made a pitch something like this: "If you're looking for something worthwhile to do in your spare time..."

Now there's a vanishing race of people - people with a lot of spare time.

When was the last time you heard a friend say "I need something to do to fill my spare time?"

Look at some of helpful organizations in Grayling alone worthy of your extra time:

United Way, the literacy program, Big Brother/Big Sister, Mercy Hospital Auxiliary, Friends of Hartwick Pines, Red Cross, the AuSable Canoe Marathon committee, RSV, Youth Booster Club, Little League, Viking Band Boosters, Arts Council, Jr. Pro, County Museum, 4-H, county library, police auxiliary, fire department, ambulance corps, the Lions, Rotary, Kiwanis, Masons, Eagles, Moose, ABWA, BPW, Knights of Columbus, VFW, Legion, OES, the school volunteer program, the Cancer Society, and there are many more.

What's a person to do in an already busy life? These organizations all perform worthy causes and deserve our volunteer time so we try to fit in as many as we can.

Inevitably we go home late one night realizing we live such busy lives. I've had days where I've tried to pack so many activities into one day, I wound up not enjoying any one of them as much as I usually do.

Way back in 1854, before automobiles, VCR's, telephones, and television, Henry David Thoreau wrote, "Why should we live with such hurry and waste of life? ... Simplicity, simplicity, simplicity! I say, let your affairs be as two or three, and not a hundred or a thousand."

Is simplifying your life the answer? Don't ask me. Ask one of the half-dozen or so persons in Grayling who seem to always be in control, never seem rushed. They accomplish a lot, help a lot of people, yet still seem to have time to enjoy everything.

Next time you meet these special people, ask them how they do it. They'll more than likely have the time to help you out.

## Hanson Hills Park Designed for Use

Dear Jon,

The national scope of our coming elections often lead us to neglect some important local issues. The ballot in November will have a request from the Grayling Recreational Authority for a renewal of 1/4 mill for the operation of Hanson Hills. This request is not designed to bring in tourist dollars. The Park is designed for our local use as family entertainment.

Hanson Hills is used all summer for softball games, basketball, childrens fishing, family picnics and a playground. The winter provides some of the best cross-country skiing trails in the

nation. Most importantly, it provides a much needed place where families can enjoy a winter weekend. It is an inexpensive place where children and adults can slide, toboggan or learn to ski. In the past I have observed many of our residents who, although they no longer participate, enjoy socializing in the lodge and watching others pursue their favorite activities.

I encourage your readers to help preserve an important part of Crawford County's Heritage by voting YES on this renewal request. Please vote in November and come out and enjoy YOUR PARK.

Dave Jensen

Dear Avalanche staff, Just a note of thanks to let you know that we appreciate the article that was printed informing the Grayling public about the Arrowhead Inn. We were extremely pleased

with the manner in which it was written, and would like to thank those involved at the Avalanche for a job well done.

### Blanchard Leads Final Pitch For Super Collider

Governor James J. Blanchard, asserting Michigan's advantages over other states seeking the federal superconducting super collider project and minimizing the impact on wetlands, led a list of officials in a last public pitch for the \$6 billion project.

The occasion was a Department of Energy public hearing in Stockbridge on a draft environmental impact statement that, among other things, said 2,800 acres of wetlands would be included in the 16,000-acre site there.

After the hearing, Blanchard told reporters "If you look at the proposals and the critiques, it is obvious Texas and Michigan are finalists. I am optimistic that if the decision is made on its merits, we will prevail. But you never know what kind of political tradeoffs will be made."

He said the influence of Vice President George Bush, the Republican presidential candidate, and U.S. Sen. Lloyd Bentsen, the Democratic vice presidential candidate, who are both Texans, could help that state win the project, but added Michigan could muster support to block funding if the choice is "politically rigged."

The governor told the members of the DOE Site Task Force Michigan offers "enormous education and quality of life benefits" and told the Stockbridge High School gymnasium audience the project offers "clean jobs, quality jobs for the future."

Blanchard said the environmental concerns in Michigan "are relatively minor and can be managed."

He and Natural Resources Director David Hales said the project will directly affect only 891.9 acres of wetlands among those within the project boundaries, and they noted Michigan is the only state with federal authority to regulate its wetlands.

That impact is higher than stated last month by John Haneski, executive director of the Michigan SSC Commission, who said 620 acres would be affected and just 260 of those would be permanently disturbed.

Hales said there would be a "minimal conflict between the SSC and wetlands" and Natural Resources Director Thomas Anderson, a co-author of the state wetlands protection act, said the state would mitigate any damage that would be required.

The governor also said opposition to the 53-mile circumference facility, utilizing supercooled magnets for basic physics research, is to be expected, but said support in Michigan is greater than in the other states.

Protesters objecting to the wetlands destruction, the taking of family farms, possible radiation leaks and other changes in the Stockbridge area, carried placards and distributed materials to persons arriving at the hearing.

The DOE is to make its preliminary choice of a site after the November election, a final environmental impact statement is to be made on that site in December and President Reagan is to make the site decision in January.

### Courts Begins New Sentencing Guidelines Next Week

New sentencing guidelines for persons sent to prison for felony crimes, for use by circuit and recorder courts, took effect October 1 under an order issued by the Supreme Court.

The guidelines, which recommend a range of sentences for 10 crime groups, replace guidelines which have been in effect since 1984. Changes reflect in part the deviations judges made from the existing guidelines.

The crimes covered are assault, burglary, criminal sexual conduct, drugs, fraud, homicide, larceny, property destruction, robbery and weapons possession.

Judges may impose lower or higher minimum sentences than those recommended in the guidelines but are required to explain on the Sentencing Information Report and to the defendant the aspects of the case which led to the sentence.

### Quayle-Bentsen lays an egg

IS THERE ANY WAY we can leave the vice president's job open for a while after the next election? Or at least, can we vote for "neither of the above?"

After watching the joint appearance of Sens. Lloyd Bentsen of Texas and Dan Quayle of Indiana - mislabeled as a campaign "debate" - my overwhelming reaction is that neither one of them should have the job.

Sen. Bentsen to me came off as somewhat smarmy, a bit unctious, too patrician, too self-assured about everything - in short, a vice presidential version of the smug detached superiority complex that Gov. Michael Dukakis exhibits to me.

Both of these candidates seem to be looking down their noses at the common folk. They don't smile, they smirk; it's just a bit unsettling.

But on the other hand, Sen. Quayle is not a bit more inviting. He appeared shallow, programmed, with surface information about a lot of things but depth knowledge about nothing. He seemed uncertain and ill at ease.

Who "won" the debate? In my book, nobody.

THE POLLS indicate Sen. Bentsen "won" - if indeed anyone can "win" a joint appearance. Certainly the tall, aging Texas came off better than the young, yuppiquesque Hoosier.

That's probably to be expected. The panelists were loaded for Quayle, and concentrated their toughest questions on only half the candidates. It seemed to be Sen. Quayle who was being debated, not the vice president.

There were two highlights in the rather drab evening.

The Kennedy exchange, we are told by the national pundits, will go down in history. It certainly was not the first time Sen. Quayle has pointed out that with his 12 years in the House and Senate, he has racked up as much Congressional experience as John F. Kennedy carried into his 1960 campaign for president. It's true.

And if Sen. Quayle had not heard Sen. Bentsen's reaction before, he should have anticipated it. Sen. Bentsen is right - Sen. Quayle is no Jack Kennedy. That's true, too. Of course, congressional experience alone

is no qualification to become president. But that's about all Mr. Quayle has to offer. In this exchange, Mr. Quayle left the door ajar, and Mr. Bentsen banged right on through. There's nothing wrong with that.

THE OTHER notable exchange didn't involve Sen. Bentsen at all. It was the repeated questioning by the journalistic panelists about the possibility of Sen. Quayle's accession to the presidency.

What would be the first thing he would do if an emergency elevated him to the Oval Office?

I agree with TV's Mike Wallace and a handful of others: That's an unfair question. It was unfair the first time it was asked. It was unfair the second time, and it was unfair the third time it was posed.

The only proper answer is: "It all depends." But if Sen. Quayle had answered it like that, he would have been assailed for indecisiveness. But in truth, it does all depend.

IT DEPENDS ON the circumstances and the time. Was President George Bush assassinated? Did he die after a lingering illness? Was his demise sudden? Did it happen in a nuclear attack? Did he resign under pressure? Was he removed because of inability to continue? Did he just out and out quit?

Each circumstance would require a different approach by the new president.

And then there's timing: When did Mr. Quayle become President Quayle? Was it right after the first term started? Was it just before, or just after, the 1992 election? Or was it with just a few months to go before the expiration of the Bush-Quayle administration? You see, it all depends.

So why did the panelists return not twice but three times to this unfair and extremely hypothetical question? And if it was so important, why didn't they press Sen. Bentsen on the same question?

IN MY VIEW, neither candidate did much to polish his image.

No, I wouldn't feel all that confident if Dan Quayle became president; but I wouldn't feel confident with Lloyd Bentsen as president, either.

But then, I wasn't all that confident when Ronald Reagan took office .... or Jimmy Carter .... or John Kennedy .... or Harry Truman .... or Dwight Eisenhower.

Maybe I'm just too hard to please.

# A Look At Our Past

**23 Years Ago**  
October 21, 1965  
Miss Camilla Marshall was home from CMU, Mt. Pleasant to visit her parents, the Melvin Marshalls. Her sister Julie left Monday for Minneapolis, Minn., to enroll at Humboldt Institute for a nine-month business course.

Dr. and Mrs. B.E. Henig were in Detroit Wednesday and Thursday and were overnight guests of his mother, Mrs. Clarence Henig. Dr. Henig attended a meeting of the Detroit Academy of Surgeons Thursday and Mrs. Henig the Junior Mother's Day at Kingswood School Cranbrook with her daughter Gretchen. Friday the Henigs went on to Lansing where they visited her parents, Mr. and Mrs. H.E. Farringtons, and helped Mr. Farrington celebrate his birthday

anniversary. They picked up their daughter Janey at MSU and brought her back for the weekend.

The Robert Winslows are receiving congratulations on the birth of their first grandchild, Robert Joseph, born to Mr. and Mrs. Joseph Fleagle. He weighed 7 lbs. 9 1/2 ozs. Paternal grandparents are Mr. and Mrs. Arthur Fleagle, great grandparents Harry Fleagle and Mrs. Jane O'Brien of Abolene, Kansas.

The Bob Stronges spent the weekend with their daughter and family the Bob Lutens in Marshall.

Mr. and Mrs. George Collen and daughter Mrs. Owen Carlson and son Ricky of Higgins Lake were dinner guests of the Melvin Marshalls Thursday evening. The Collens are leaving for Florida this week.

Eddie Robertson, a

1965 graduate of Grayling High School who played football under Fraser Dean, was named Player-of-the-Week last week at Alma College. Eddie was chosen on the basis of his outstanding play in the Scots' first three games. He is the son of Mr. and Mrs. Tom Robertson of Grayling.

**46 Years Ago**  
October 22, 1942

The first football game in history played between Petoskey and Grayling High Schools ended in a stalemate, 7-7. The game was played at Petoskey last Friday under the lights. Ross Thompson sprinted for the touchdown from the Petoskey two-yard marker around right end. The extra point clicked on a pass from R. Thompson to Smock. LaChappelle played one of his best defensive games. Kolka and Wheaton were also standouts. Others who saw action were Babcock, Burns and Smith; Howard Hatfield, Barber, Corwin, Sorenson and Gierke.

Detroit are spending this week at the Haugh home on the AuSable river.

Miss Wanda Hotrum of Kalamazoo is visiting her sister, Mrs. James Weiss here this week.

**69 Years Ago**  
October 23, 1919

Mrs. Fred Larson of Johannesburg visited her sisters, Mrs. Anna Hanson and Mrs. Walter Hanson, Sunday.

Miss Greta Fink was a guest of Miss Agnes Mayo over the weekend.

Mrs. E.W. Behlke and Mrs. A.M. Lewis are spending several days in Detroit.

Mrs. W.J. Teare has as her guest this week her sister, Mrs. E.E. Easton of Owosso.

L.H. Chamberlain visited relatives in Flint and Bay City the latter part of the week.

Miss Vera Cameron returned on Sunday from Bay City after a couple of weeks visit.

Mrs. Otterbein has returned from Gladwin where she was supplying as teacher of the high school.

Mrs. Melvin Marshall who came home with a fine catch of rabbits and the day's limit of birds the first day of the season upholds her story with plenty of proof that the hunting around this locality is "pretty good."

Mr. and Mrs. Charles David of Flint and Mr. and Mrs. Lee Perrigo of Saginaw who spent the weekend here with Mr. and Mrs. Eggie Bugby enjoyed the hunting very much, as well they should as both ladies got their limit of birds the first day.

Mr. and Mrs. Carl Hanson returned home Monday after spending a week at Grand Ledge hunting pheasants. They were guests of Mr. and Mrs. Stanley Taylor while there.

Jacquelyn Sue Hunter was six years old Tuesday and in honor of the occasion her mother Mrs. Lawrence Hunter entertained a number of her young friends after school.

Mr. and Mrs. Thomas Haugh and their guest Mrs. A.H. Gibson of

Alfred Underhill went to Lewiston Tuesday to take his third degree in the Masons. He left last night for Rochester, N.Y., to visit his sister Miss Mae Underhill.

### Support Group Organizing For Learning Disabilities

An organizational meeting will be held on Saturday, October 22, for people interested in establishing a chapter of the Michigan Association for Children and Adults with Learning Disabilities. Membership in a local chapter also includes membership in the state and national organization. At present, the nearest chapters are located in Cheboygan and Big Rapids.

All adults or parents of children with learning disabilities are urged to attend. The meeting will be held in the Weyerhaeuser room of the Crawford County Library in Grayling. For further information, call Phyllis Brummer at 348-2351.

Players will soon see new Michigan Lottery terminals being installed at their favorite retailer locations. The following talks about this change.

**Q: Why is a change being made?**  
A: In order to maximize net revenues for the state, the Lottery recognizes that it must replace its outdated computer terminals with state-of-the-art equipment which will allow for growth, as well as improved service for players.

**Q: Who will provide these terminals?**  
A: GTECH, a leader in the worldwide lottery industry, won the contract to provide this equipment to the state.

**Q: When will we see these new terminals?**  
A: The Lottery will begin the conversion process during late October.

**Q: When will the process be complete?**  
A: By early 1989, all 3,800 on-line retailers throughout the state will have the new equipment.

**Q: What's new that players will see?**  
A: A revised Lotto bet slip, as well as a new Daily Game bet slip will make game play easier. Players will also enjoy the new computerized message screen—much like a mini TV screen—that retailers have the option of using with their new terminals.

**Q: What other differences are there in the new system?**  
A: We're very excited about a new security feature. Ticket sales will be simultaneously recorded at two locations on three separate computers to safeguard wagering activity in the event of a disaster such as fire, tornado, etc.

**Q: Are there new games on the horizon?**  
A: The GTECH system includes an extensive library of games and features. We will certainly explore all possible options, but no new games are in the works at present.

For asking the question which led to this column, Irene Ondresik of Warren will receive 50 free "Fall Cash" instant game tickets.

If you have a Lottery question not yet covered in these monthly columns, send it to: "Winners Circle," Michigan Lottery, P.O. Box 30077, Lansing, MI 48909.

## River House Shelter Fights Domestic Violence

In the first of a series, River House Shelter in Grayling answers questions about domestic violence programs.

### WHY IS DOMESTIC VIOLENCE AN IMPORTANT ISSUE?

Last year, 3.4 million women and their children experienced domestic violence. According to a Department of Justice report, an incident of domestic violence occurs once every 15 seconds. Domestic Violence is the single largest cause of injury to women.

### WHAT DO SHELTERS PROVIDE?

Today, shelters are the center of community efforts to deal with domestic violence, providing temporary safe housing as well as other assistance to women and their children. In 1986, shelters housed at least 310,000 women and their children. Because of a shortage of shelter space and resources, shelters need additional help. For every woman seeking shelter, two may be offered other resources until housing becomes available. These resources include advocacy with legal, medical and social service systems, support groups, and children's programs.

### WHAT IS RIVER HOUSE SHELTER?

River House Shelter is a non-profit, Mercy Hospital sponsored program for domestic violence victims and their families. While River House Shelter is located in Crawford County, they also provide services to vic-

tims in Oscoda, Ogemaw and Roscommon Counties. River House Shelter is funded through federal and state grant monies and by United Way in Crawford and Ogemaw Counties. River House Shelter has a 24-hour crisis line (517) 348-8972 and support groups. Victims may call for further information as to the location of the groups.

Two years ago, River House Shelter and Domestic Crisis Services began to provide services to domestic violence victims and their dependent children.

River House is also pleased to announce that the two local K mart stores (Grayling and West Branch) will be participating in a national effort by K mart Corporation to support the Shelter Aid Program.

Shelter Aid is a program sponsored by Personal Products Company. Individuals are asked to save proof of purchase seals from the following personal products: Stay-Free, Care Free, Sure and Natural, Assure and Natural and O.B. These proof of purchase seals can be dropped off at K mart stores nationwide. Collection center displays will be in the stores during the month of October. Personal Products Company will donate 5 cents for every proof of purchase seal to the National Coalition Against Domestic Violence. In addition to the 5 cents donated by Personal Products Company, K mart stores are being asked to donate 5 cents to their local shelter program.

Bifocals — with their disturbing segment line

Varilux Infinity — smooth continuous correction

After the age of 40, it gets harder and harder to see things up close. It's called presbyopia, and it happens to everyone.

Until recently, bifocals — with their disturbing segment line — were your only solution. But now there's a new lens that has revolutionized vision correction for presbyopia.

Custom designed vision correction.

Varilux Infinity, the most advanced technology available today, is 12 new lenses — each with a custom designed surface for your vision needs at a particular age. With no bifocal line. And unlike bifocals, Varilux

Infinity lets you see clearly at all distances — from near to intermediate to far.

## Thank You

We wish to Thank the following organizations for their assistance and their sympathies after the passing of our husband and father, LeRoy Millikin:

The Michigan State Police, The Crawford County Sheriff Dept., The City of Grayling Police, The Masonic Lodge members, The Women of Michelson Memorial Church, Amicare Home Health Service, Respi-Care and Hospice.

Special Thanks go to Dr. George; Amicare nurse, Chris Losse and the McNamara's of Mac's Drug Store for your deep concern and very special kindness during LeRoy's illness.

Rev. Jeff Regan, we "thank you." Two small words for an unbelievable amount of compassion. Such a special person you are and have been to Virginia and all of the family.

We also wish to thank Derek McEvers and Sorensen's Funeral Home for allowing us to do things "our way."

To all the friends and relatives for their many visits and lovely cards, a heartfelt "thank you."

## Wicks Lumber Donation Helps Complete Project

October 1st was the ribbon cutting for the downtown Gazebo/information park located between Victoriana's place (Grandma's Dolls) and Emil Kraus' law office. The improvements on this lot, empty since the old Avalanche building burned, is a part of the goals and activities of the Community Self Improvement Project spearheaded by the downtown Grayling merchants.

October 20 is the annual "Thank You Grayling" day, a tradition initiated by the Grayling State Bank. C.S.I.P. is setting aside this special day to say a thank-you to the many persons and businesses, without whose generosity and help, this project could never have been completed. C.S.I.P. spent approximately \$3000 and received in excess of \$5000 in donations and in-kind service to complete the project.

The generosity began the

day the top soil was dropped. Clyde Johnson, who works with the Boy Scouts in Roscommon, brought his troops to help shovel and rake and working alongside these young men were the board members of C.S.I.P. and the staff from Ray's Canoe Livery. A.J.D. Forest Products donated the treated lumber for the flower planter across the front of the lot. Terry Dickinson designed and did the initial layout of the Gazebo as well as the brick pattern for the concrete sidewalk. The construction of the Gazebo was completed by Leonard Rodney along with Tom Barber, Tom Baese, Dick Martin, Mark Dandy, Chuck McCleren, and Mike Wallington of the Tri-County Professional Builders Association. Ron Gabalis of Five Oaks Nursery installed the sprinkling system and completed the landscaping. Many individuals from the community offered their time. This list includes such persons as Kent Reynolds, Superintendent of Schools, Christian Rideout and Obe Lowry, missionaries from the Church of the

Latter Day Saints, Judy Weaver, Georgia Knight, Ernie Dawson, Darwin Wilder, Kathy Ashton, and others.

Wicks of St. Helen came through when it was most needed. C.S.I.P. had already gone over the budget and there was not enough materials on hand to finish the Gazebo, the focal point of the project. Through the influence of the Tri-County Professional Builders, Wicks of St. Helen agreed to donate whatever material was needed to complete the project.

A portion of the grant from the Weyerhaeuser Foundation for the streetscaping of Michigan Avenue is being used to provide twelve "turn of the century" benches for the sidewalk. Additional benches needed will be provided by groups or individuals for memorials or special recognition when they contribute \$275 to C.S.I.P. for this purpose.

Additional appreciation also goes to the use of their lot, and to Jack and Gloria Alef for part of the project lies on their property.

## Bob Rowe Featured at Daniels Den

On Friday, October 21, Daniel's Den presents "Bob Rowe" from Portage, Michigan. He is an accomplished songwriter and performer, bringing his own special talents and warm personality to each performance.

In addition to writing music and lyrics, several of his poems have been published. Rowe has written more than 100 songs, including a country song that won fourth place in the Barbara Mandrell song contest a few years ago.

Rowe always has fun with the audience and does crowd participation songs, as well as some of the old Gospel favorites.

Daniel's Den is located on M-72 West in Grayling in the fellowship hall of the Episcopal Church. Doors are open at 7:30 p.m. and music starts at 8:00 p.m. A free will offering will be taken during the concert. Refreshments are available. All ages are welcome.

## Circuit Court

Appearing before the Hon. William A. Porter Monday, October 3:

Larry DeWayne Drouillard, age 22, of Grayling, was sentenced on a charge of Kidnapping. He received 15 to 40 years with the Michigan Department of Corrections and was given credit for 256 days served.

Drouillard was arrested in January, 1988, for the Kidnapping of his wife, Renee who suffered severe frostbite after being tied to a tree in sub-zero weather on January 5, 1988. Three other defendants in this case have already been sentenced.

Michael Andrew Beck, age 17, of Roscommon, was sentenced on a charge of Breaking and Entering. He received 48 months probation and 10 months in the county jail with credit given for 31 days served. He was also ordered to pay \$400 costs and \$550 attorney fees.

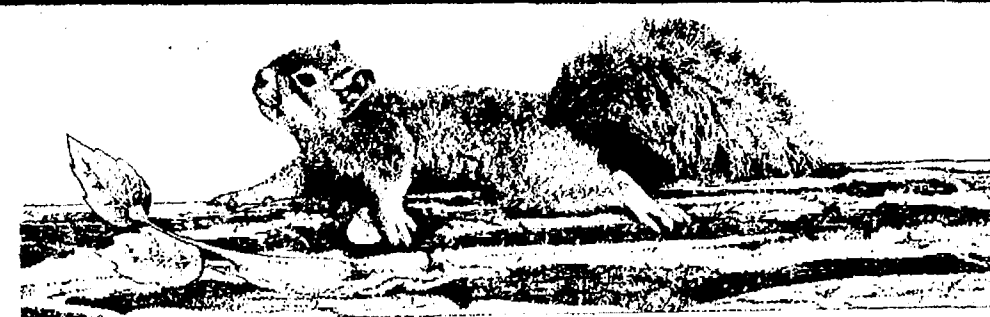

Beck was arrested by the Crawford County Sheriff Department in March, 1988 in connection with several B & E's in the South Branch Township area.

James W. Demoines, age 40, of Indian River, Mi., formerly from Grayling, was sentenced on a charge of Welfare Fraud By Failure To Inform Under \$500. He received 24 months probation and must pay \$150 costs, \$200 attorney fees and \$935 restitution.

Demoines was arrested on a complaint filed by the Crawford County Department of Social Services in April, 1988.

## Girls Lose Heartbreaker 55-54 To Cheboygan

"On the road again," would have aptly described the Grayling Girls Varsity Basketball team this past week, as they traveled to Cheboygan on Tuesday, October 11, and again to Boyne City on Thursday, October 13, where "you win some, you lose some" would have aptly described the team's experience.

On Thursday, Grayling defeated Boyne City 62-32, even though the team played a poor first quarter and rebounded poorly throughout the first half.

Grayling was trailing Boyne City 13-8 at the end of the first quarter. Grayling came back in the second quarter to lead at the half, 26-23.

Boyne City did not score a basket during play in the second quarter; however, they shot 15 free throws, sinking 12 of them.

"We were lucky to be leading at the half," stated Coach Howard Lehti.

Lori Gust and Patti Tremblay were in early foul trouble, which forced Lehti to go to his bench. AJ Pratt played the best game of her career, making 14 points. Two of her baskets were 3 pointers, and she had 5 assists.

Lehti also credited Janet Bickford with playing an outstanding game. She had 7 rebounds which "filled the void" and showed the team the importance of effective rebounding.

At halftime, Lehti said he "laid it on the line" with his team, and he was encouraged by their second half effort.

In the third quarter the Grayling team showed a little spunk, and their fourth quarter was great, with Grayling scoring 26 points to Boyne City's 3 points.

Taking high scoring honors was Melanie Ojala with 15 points, 11 of those were made in the fourth quarter.

Other members who scored were: AJ Pratt 14, Heather Stephenson 12 (5 assists), Lori Gust 8 (14 rebounds, made mostly in the second half), Deanna Phelps 5 (18 rebounds, made mostly in the second half), Peggy Kraus 4, and Nikki Trenary and Patti Tremblay with 2 points each.

The girls lost a heartbreaker Tuesday, October 11, to Cheboygan.

Grayling had led the entire ball game until the final 30 seconds.

"With two minutes remaining in the game," Lehti explained, "we were ahead by seven points." He said that even though in a fast paced game like basketball you cannot fall asleep, he said he felt the girls had the game won.

Lehti said that Grayling knew that Cheboygan had a three point shooter, but they did not realize how accurate she was. She made two 3 point baskets within 30 seconds to pull her team within one point of tying the game.

Cheboygan then scored again taking a one point lead. With seconds remaining in the game, Grayling had possession of the ball, and took the final shot.

"If we had made the basket, we would have won the game," said Lehti. "We didn't, and we came out on the short end this time."

High scorer for the game was Melanie Ojala with 17 points, and was credited with 8 steals.

Other players who scored were: Heather Stephenson 10, Deanna Phelps 9, Lori Gust 8, Patti Tremblay 6, and Anne Petrosky and Nikki Trenary with 2 points each.

Grayling made 20 out of 34 free throws, compared with Cheboygan making 1 out of 5.

Rebounding was a severe problem during the game. Lehti said that the game would not have gotten down to the last second shot for Grayling if even an adequate job of rebounding had been done.

Grayling will be playing Cheboygan again on their home court on November 10th. It will be the team's last conference game, and Lehti said that Grayling will be ready for them at that time.

The girls played Rogers City Tuesday night, and will travel to Sault Ste. Marie on Saturday, October 22.

The team will be leaving Grayling at 10:00 a.m. Saturday to play Saturday evening. They will be staying overnight in Sault Ste. Marie and returning to Grayling on Sunday.

The J.V. girls basketball team also split their games this week, losing to Cheboygan, 55-41 on Tuesday, and winning their game on Thursday against Boyne City, 47-44.

Thursday night, October 13, the J.V. girls won a tight game from Boyne City by putting together four good quarters.

Grayling led at the end of each quarter. At the end of the first quarter the score was 12-6, Grayling. From then on the score at the quarter stayed within three points.

Nicki Morrill took high scoring honors with 12 points. Other points were scored by: Claudine Allen 9, Michelle Burcham 8, Krista Wyman 4, and Lisa Jo Barber and Shannon Hinds with 2 points each.

Coach Dallas Hudson credited Shannon Hinds with having a good defensive half.

Michelle Burcham had 16 rebounds for the evening and Krista Wyman had 8 rebounds.

On Tuesday, October 11, the girls travelled to Cheboygan and lost 55-41.

Hudson said that following the long trip the team did not seem mentally or physically ready to play ball.

Cheboygan led throughout the game.

Michelle Burcham and Krista Wyman turned in good defensive games, rebounding strongly. Hudson also said that he was pleased with the terrific job Cindy Fedewa is doing for the team.

Taking high scoring honors was Nicki Morrill with 17 points (one 3-point score). Other players who scored were: Michelle Burcham 12, Claudine Allen 6, Lisa Jo Barber 4 and Shannon Hinds with 2 points.

With the season half over, Hudson feels that the young team is beginning to play ball as a team. He said that the freshman are getting valuable floor experience and will be an asset to the team next year.

### Soo's Quarterback Beats Grayling

The Grayling Vikings dropped a double-header Friday evening, October 14, to Sault Ste. Marie. The J.V. team lost 20-8, giving the Soo their first victory, and the Varsity team lost 26-7.

The Varsity game was plagued by penalties and fumbles, mostly against Grayling.

The first quarter was scoreless with Grayling having good field position on several occasions, but each time a penalty or fumble stopped them short of the goal line.

In the second quarter Sault Ste. Marie exploded with three touchdowns. Minard, the See quarterback, threw for two TDs, one for 35 yards and one for 15 yards. Minard also scored from two yards out, making the score at halftime, 20-0, Sault Ste. Marie.

Minard scored again for the Soo in the third quarter on a 25 yard run. That ended the game's scoring as Grayling was able to hold them in the fourth quarter.

Grayling's only touchdown came on a pass from Matt Branch to Jeremy Mead in the fourth quarter. The point after touchdown by Rafael Mayoral was good.

"We have a tough game next week against St. Ignace," said Coach Don Stowers. "They have not been beaten this year. We played tough against the Soo," he said, "but we took turns making mistakes, and

we cannot do that next week with St. Ignace."

The Grayling J.V.'s failed to play up to their capabilities, and lost to Sault Ste. Marie, 20-8.

Coach Fred Wolcott said that the team was first. "The team just wasn't excited," he said.

Wolcott said that the J.V.'s would force Sault Ste. Marie punt, get good field position, and then fail to move the ball. Penalties were a problem, but the biggest problem, according to Wolcott, was that the team just did not play good football.

"I don't know if it was the change in nights," speculated Wolcott, "or whether they were intimidated by Sault Ste. Marie's size." Whatever the problem, he said, we made mistakes, and those mistakes cost us the ball game.

Sault Ste. Marie scored late in the first quarter and then again at the beginning of the second quarter giving the Soo a 14-0 advantage.

Grayling made their only touchdown with 30 seconds remaining in the half on an eight yard scoring pass to Tim Hough from quarterback, David Teddy. Dana Mirate ran in the two point conversion.

Score at the half, 14-8, Sault Ste. Marie.

The Soo scored again in the second half making the final score, 20-8.

I Bet You Didn't Know

By Laurie Scheer-Alton

Did you know a U.S. President was responsible for forward passing being part of football? Before 1906, passing wasn't allowed in football. But that year, U.S. President Theodore Roosevelt told football leaders to open up the game, and lessen the many injuries that resulted from concentrated running plays. Forward passing was then legalized, and thus, a U.S. President changed the course of American football.

Who was the only man ever to win the "Coach of the Year" award in major college football even though his team had a losing record? Dick Harlow of Harvard was voted "Coach of the Year" in 1936 despite Harvard's record that season of 3 wins, 4 losses and a tie.

A freshman or sophomore has NEVER won the Heisman Trophy as the best college football player in the nation—but 7 times in history a junior has won it. The 7 juniors who've won the Heisman were Herschel Walker of Georgia in 1982, Billy Sims of Oklahoma in 1978, Archie Griffin of Ohio State in 1974, Roger Staubach of Navy in 1963, Vic Janowicz of Ohio State in 1950, Dock Walker of SMU in 1948, and Doc Blanchard of Army in 1945.

I bet you didn't know... that GM and Chrysler have surprised us all and introduced rebates on most of their most popular 1989 models. This is unusual at the beginning of a new model year. Here's your chance to save! Don't miss it!

The Crawford County Avalanche presents its first annual

# FOOTBALL Contest

1st Prize \$50

1. A. Find the advertiser with game #1  
B. Write down your prediction for game #1 on entry form.  
C. Write down the advertiser's name on entry form where you found game #1.
2. Fill out rest of entry form this way including the two tie-breakers (your prediction on the total points scored by both teams in games #1 and #18).
3. Make sure you pick a winner for each game and you write down the advertiser's name for each game.
4. Return the entry by 5 p.m. Friday to the Avalanche.
5. The person with the most correct picks wins \$50 from the Avalanche. (Tie games are considered correct picks for everyone.)

1st Place \$50 Oct. 15-16 Winner **Mick McNamara**

Mick McNamara's correct pick of Green Bay's upset over Minnesota left him with only 2 wrong and first place. He edged out Bill Millikin, Marlene Ritter, Jeremy Mead, Darrell Metzger, Marilyn Hartman, Al Cherven, and Bob Winneger who all picked Minnesota and had 3 wrong. Those coming close with 4 wrong were John Junttila, Shirley Daup, Brad Trenary, Marvin Silk, Walt Tilson, Steve Southard, Scotty MacLeod, Frank Love, Jr., Gary Derenzy, John Cherven, Robert Smack, Jr., Len Blackmer, Mark Hartman, Gary McLaughlin, John Payne, Don Bancroft, Doug Latuszek, Pam Moggo, and Barbara Harmer.

Ninety-two other entries did .500 percent or better on their picks scoring 5 to 9 wrong. Two persons shared last place with 10 wrong. The scores of most of the entries have improved since the initial three weeks of the contest. There are either less upsets or our pickers are getting wiser. Only 6 people out of 121 entries chose the Lions so it looks like the pickers are getting wiser.

Features Puerto Rico**

On Thursday evening, October 27, the Grayling Community Education Program will present their next exciting full-color, true-life adventure for the season. This next film will feature "Puerto Rico", the Isle of Enchantment. The film will be shown in the Grayling High School Auditorium be-

ginning at 7:30 p.m. The doors will open at 6:45 and tickets will be available at the door.

Appearing in person to narrate this exciting film will be nationally recognized lecturer-photographer, Steve Gonser. Gonser has traveled extensively throughout the United States

and several foreign countries. He has led various types of expeditions, including long distance bicycle tours throughout the United States and Canada, wilderness mountaineering treks in the Rocky Mountains, hiking trips along the Appalachian Trail and investigative adventures into the caves of Southern Indiana.

Through his contact with nature, and his experience with people of all ages, Steve has developed an awareness of the intricate beauty of man in harmony with nature. With his camera he searches out the unusual as well as the quiet, commonplace surroundings in which people find themselves, translating both trials and triumphs into a meaningful film experience that will capture the imagination of those who travel with him.

Talk**

Bob and Eileen Chappel were invited to Florida to watch the launch of the Space Shuttle "Discovery." They stayed with friend, Ruth Sayre on Merritts Island and toured the space center. They also visited friends, Jack and Torino Drummond in New Port Richey.

On Sunday, August 28, a Sorenson family reunion was held at Hartwick Pines. This group is the offspring of Camilla and Carl Sorenson (both deceased). There were 44 present. The largest single family unit of 17, belonged to Lois Sorenson LaGrow who is also the oldest. The youngest was Aaron Joel Cox, great-grandson of Clara and Robert Sorenson. Evelyn Sorenson Jones and husband, Fred, came from Leesburg, Florida. Several little ones met each other for the first time. There was an exciting baseball game, a walk through the Pines, and a lot of good food. Chairpersons were Connie and Gerry Smock and Judy Sorenson. Guest of the day was Barbara Hoffman.

## 'The Volleyball Lady' Plays On At Age 67

For years she has been known as the "Volleyball Lady" to those who frequent Depot Beach at Charlevoix in the summertime.

A former member of Volleyball Leagues in Detroit, Grayling and Roscommon, as well as a game referee, Betty Bohn sets up her net in an area where her husband, Martin, has outlined boundaries and invites all corners to join her in a game.

It all started when she couldn't find players near her home in Hayes Township. Betty simply went where the people are. That was about 25 years ago, and when a Charlevoix High School class recently held its 20th reunion picnic at Depot Beach, many members greeted her saying, "I played with you when I was a kid."

So enthusiastic about the game is this 67-year-old grandmother that she says she wishes she had an iridescent volleyball so she could play in the dark. Instead, she has to limit her playtime to daylight hours.

The possibility of watching volleyball in the Olympics excited Betty, who was glued to her television set during the games.

At her urging, the City of Charlevoix has set up volleyball nets at both Depot and Ferry beaches, and now she is trying to figure out where one might be placed on Lake Michigan Beach.

Betty and Martin are only summer residents in Charlevoix, from June until late September. Their permanent home is in Grayling.

Charlevoix volleyball players' loss is Grayling senior citizens' gain. Betty leads their singing group, "The Grayling Songbirds", and is a member of the kitchen band, "The Grayling Top Hats," which last year won a five-county contest.

Martin, a former pilot, was responsible for setting up the Aviation Maintenance School at Grayling Airport for Kirtland Community College. This winter he will probably spend most of his time working on tractors and snow machines, according to Betty.

The Bohns have two grown sons, Terry and Dan, and a grown daughter, Annette Combs. They all learned to play volleyball at Depot Beach. Their four grandchildren are still too young for the game, but Grandmother promises to teach them when the time comes.

## Voters of Crawford County

**THE SHERIFF** can do his regular duties and get by or he can go one step further. I have always tried to go that one step further and have initiated many programs.

### AUXILIARY/RESERVE

When I was the Grayling Police Chief, I formed the Grayling Police Auxiliary in the mid 1950's. One of the first auxiliary units in Northern Michigan.

As Sheriff, in 1973 I formed the first Crawford Co. Sheriff's Auxiliary (Reserve) Unit. Both units are still active and have contributed thousands of free hours of duty.

### LAW ENFORCEMENT - NATIONAL GUARD

Since the first summer I took office (1985), I have conducted Law Enforcement meetings with the National Guard to iron out problems that arise during the summer encampment. This is a weekly meeting with the local and the visiting Guards. These meetings also include; the Grayling City Police, DNR, County Prosecutor and the Michigan State Police (Gaylord & Houghton Lake).

While, these meetings may not solve all the Guard problems in the county, it has gone a long way to solve the law enforcement problems and create an understanding between local law enforcement and the National Guard.

### INMATE WORK PROGRAM

In the last 2 years, the Grayling Fish Hatchery has received grants for Environmental Cleanup from the Weyerhaeuser Co. 1987, and Georgia-Pacific 1988. Because of these grants I have been able to have a crew work out of the Hatchery. They have cleaned rivers, roads and worked at the Hatchery. While not part of the Environmental Cleanup program, I have had a detail work at the County Fairgrounds, Frederic Kids' Day celebration, and the County Museum.

**THE INMATES** are not paid but receive 1/2 day off their sentence for every day they work. This gets them out a little earlier from an overcrowded jail and gives the taxpayers a little something back for their tax dollars.

**I HAD WORK PROGRAMS** going when I was Sheriff before (1973-1976). I had inmates cleaning streets, alleys, the City Park, fish sites and ice and snow from the sidewalks of the senior citizen area of AuSagra Acres.

**THE INMATE PROGRAM** does not take work away from anyone. It is work that there is no money for.

**TO TAKE PART** in the program an inmate has to meet certain criteria, and is governed by strict rules. I can assure you that they are not molly coddled.

## NO SHERIFF SINCE I STARTED THE WORK PROGRAM IN 1973 HAS HAD A WORK PROGRAM. (WHY?)

Asking for your Support in the  
General Election on November 8, 1988  
Respectfully,

## Harold Hatfield

### VFW Auxiliary 3736 Awarded for Hospital Week

The V.F.W. Auxiliary 3736 held their regular meeting at the Chaparral Ranch October 11. President Lillian introduced eleven district President Pauline Jensen and Anna Burlison with 16 persons present. District president Pauline gave a talk on membership and the future of our Auxiliaries. She presented Auxiliary 3736 president a pin for her work as our membership chairman.

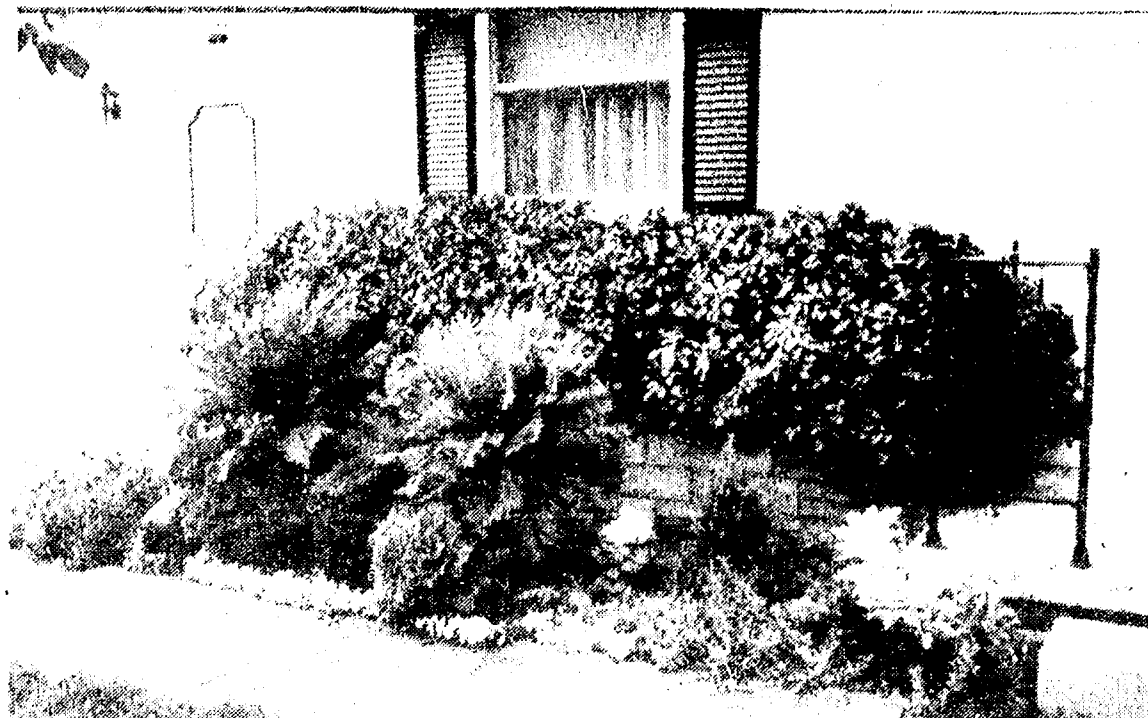

There will be an instructor class October 19 in Hale, Michigan. Gladys Reed was appointed as our Chaplin for the remainder of the year, and Stella Johnson will be our poppy chairman.

The Auxiliary will take part in the Armistice Day program to be held at the Grayling State Bank. We have \$200 dollars donated

toward our Auxiliary Banner in memory of Jack Pearce.

Our hospital committee was awarded a certificate for their time and effort at the Traverse City Psychiatric Hospital. Shirley Privloff who is committee chairman is planning another party for the rest homes at Christmas time. Her report stated that the rest homes and the Veterans Hospital is in need of robes and lap robes. Anyone caring to donate may call 348-9095 or 348-7277.

The Auxiliary is planning their annual Hunter's dinner. We will serve three days this year at the Chaparral Ranch. Gladys Reed was the winner of the monthly raffle. Starting next month the auxiliary has a new meeting date — the first Thursday of each month.

**FABULOUS FLOWERS** — Retta and Bryon Randolph's beautiful Impatiens and flowering Kale have brought "Ohs!" and "Ahs!" all summer from their friends and neighbors who pass their home on Roberts Road. Shortly after this picture was taken Jack Frost visited the Randolph's flower bed.

### Girl Scouts Learn About Bicycle Safety

By Tina Lobsinger  
On October 11 Troop 2045 shared with another Girl Scout troop a visit from Deputy Larry Akers of the Crawford County Sheriff Department.

We talked about bicycle safety. The girls asked officer Akers lots of questions

about our bikes and where to ride them.

Officer Akers asked us questions too. When we finished talking about bicycle safety our Troop 2045 went into another room with officer Akers to talk to us about drugs and how to avoid

them.

I think the meeting was very fun. What I think was the most fun was having Officer Akers there so we could learn more.

Girl Scouts is very fun because you can do a lot of neat things.

### Martella, Chang United

David Paul Martella and Stacie Diane Chang were united in marriage in the High Alpine Chapel, Issaquah, Wa., July 16th, 1988. A reception was held at the Bellevue Hilton following the ceremony for family and friends.

Dave, the son of Mr. and Mrs. Edward Martella, is a graduate of Grayling High School and MSU College of Engineering. He is employed with Boeing Aircraft in Seattle.

Stacie, the daughter of Dr. and Mrs. Gordon Chang of Honolulu, Hawaii, is a graduate of MSU College of Communications Arts. She is employed as a graphic arts specialist in Issaquah.

Dave and Stacie live in Renton, WA.

### Pumpkin Harvest Time Tied to Intended Use

Decide what use you will make of them before harvesting pumpkins and squash. That use will determine whether they should be pulled early or late.

Harvest pumpkins and squash for table use earlier than those you plan to store. When they begin to lose their glossy appearance is a good time to pick pumpkins and squash.

Those going into storage should not be picked until the vines die and the surface of the fruit becomes hard to the touch.

Avoid puncturing or breaking the skin of squash and pumpkins that will be stored. The skin may be hardened by curing at 80 or 85 degrees for 10 days. This will also help heal any wounds, insuring better storage results.

Butternut squash can be stored for several months, provided they are kept in a cool, dry place and kept from freezing.

Acorn squash, on the other hand, will store for only a few weeks. When an orange color begins to develop on the skin, the acorn squash is losing its quality.

Remove larger winter squash and pumpkins from the garden gently, preferably when the weather is dry. Place them in an open, dry shed or similar area. A bed of clean, dry straw will help protect them, but take care that the straw doesn't get wet.

Examine the pumpkins and squash often for rot and dispose of those that show signs of rotting.

## Thank You Grayling Day To Our Customers

We think of you as our most valuable asset. Since the inception of this agency way back in 1916, customer service has been the watchword. We realize that YOU are the cornerstone of any success we may be fortunate enough to enjoy.

It is only appropriate and fitting that we pause and say "THANK YOU, GRAYLING!" Without you, we would not exist.

## KCC, CMU Initiate Bachelor Degree Program

Central Michigan University and Kirtland Community College are working together to introduce a new Bachelor Degree Completion Program at Kirtland. The two plus two undergraduate degree completion program agreement was recently signed by officials at both institutions, and will lead to a Bachelor of Science Degree with a major in Administration.

Students who have completed their Associate's Degree will use these credits as a foundation for the Bachelor's Degree program at CMU. Students will begin by enrolling in a two semester hour Adult Learning Seminar conducted by CMU counselors. Some CMU courses will be offered on-site at Kirtland, while other courses will be available through independent study options such as correspondence courses, television and learning packages. Courses are offered according to published schedules during the fall, spring, and summer terms, and registration is accepted by mail or phone.

Dr. John T. Yantis, Dean of Central Michigan University's School of Extended Learning, in announcing the creation of the two

plus two program with Kirtland, said, "We welcome the opportunity to work with Kirtland Community College to serve the educational needs of the adult student in northern central Michigan. This cooperative arrangement is in keeping with our commitment to offer the people of Michigan the best education possible at times and places convenient to them."

Tuition for CMU undergraduate courses offered through the School of Extended Learning's Division of Continuing Education is presently \$81 per credit hour, plus the cost of books and materials. The two credit hour Adult Learning Seminar is \$100 per credit hour and admission fee to CMU is \$40.

An orientation session presenting an overview of the two plus two program will be held on Wednesday, October 26 at 7 p.m., or on Saturday, October 29 at 10 a.m. in the Kirtland Cafeteria in the Student Center.

For further information about the two plus two program, call Central Michigan University at 517-775-3505 or Kirtland Community College at 517-275-5121, extension 260.

## TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case No. U-9098

### NOTICE OF OPPORTUNITY FOR COMMENTS OR HEARING

On March 31, 1988, Michigan Consolidated Gas Company (MichCon) filed an application and supporting exhibit with the Michigan Public Service Commission (MPSC) for accounting approval of deferred tax accounting for bond refunding costs of its 13-1/2% series and its 10-7/8% series retired in 1987. This request was filed pursuant to R 460.9021 of the Uniform System of Accounts for Major and Non-Major Gas Utilities and the Commission's Rules of Practice and Procedure.

## Griffith Honored For Work At MacMullen Conference Center

Department of Natural Resources' (DNR) manager of the Ralph A. MacMullen Conference Center, Jim Scott, gave special recognition to employee

Patricia Griffith today. A Grayling resident Ms. Griffith works at the Conference Center as a Michigan Civilian Conservation Corps (MCCC) Member, a program which hires 18 to 25 year olds for one year. During that year, MCCC members are given job-skill training to enable them to maintain a place in the workforce, aside from giving them a reputable employment history.

"Patty is an outstanding employee, always punctual with an excellent attendance record, well liked by her co-workers, and dependable for doing things right," stated Mr. Scott. "There is no doubt in my mind that when her year with the MCCC is over, she'll be moving on to bigger and better things. Patty brings a commendable attitude to the job. Any place of business will do well to hire her."

Work at the MacMullen Conference Center has given this MCCC member the opportunity to learn some hotel management skills. Many conferences held at the Roscommon Center require overnight stay by the participants. Patty has been mainly involved with meal

planning and preparation. "More than once when the head cook has not been able to get to work, Patty has taken over and prepared a meal for groups that has easily met the excellent standards set by the full-time staff," continued Scott.

So, what will Patty do when her time with MCCC is over? Ms. Griffith plans to move to Ann Arbor where she hopes to find a job in a day care facility so she will be able to work and at the same time, be with her daughter, Tara.

"The MCCC gave me a chance to prove I have some valuable job skills to offer an employer," said Ms. Griffith. "The people at the Conference Center made it easy. They helped me to get on the right track. Now that the job is coming to an end, I guess it's time to begin a different challenge with a new job."

### Spin a Golden Tale

Science is turning an old fairy tale inside out, spinning useful substances from gold instead of into gold as Rumpelstiltskin did. Texas A&M's dean of science, a specialist in the chemistry of heavy metals, is developing a process that combines gold and a plastic compound into a polymer useful in high-radiation environments.

**GRACE DOPP WEGNER**  
OF EXPERIENCE AND INTEGRITY  
OF PROBATE JUDGE

### Question: What experience does Grace Dopp Wegner have in Probate Court?

**FACT:** Since 1983 Wegner has participated in 58% of all juvenile delinquency cases and 84% of all abuse and neglect cases with attorney representation in Crawford County.

Wegner is under contract with the County having primary responsibility for representation of all parties requiring publicly paid counsel in Probate Court.

### Question: What experience does her opponent have in the Crawford County Probate Court?

**FACT:** 80-90% of the Probate Court's time is spent in the Juvenile Division of the Probate Court.

Her opponent has never participated in an abuse and neglect of minors case in Crawford County and has represented only 4 juvenile delinquents in his 10 years of practice, all cases privately paid.

### Question: Has Grace Dopp Wegner shown her care and concern for the community by willingly representing the indigent?

**FACT:** Wegner has represented the indigent throughout her law career. She is presently under contract with the County for that specific purpose, in District, Probate and Circuit Court.

### Question: Why does the present County Defense Contract for the representation of the indigent include a Roscommon Attorney?

**FACT:** Wegner's opponent has refused to accept routine Court Appointed cases for the indigent client for several years, in Circuit, District and Probate Court. He claims he "served his time" during his first six years of practice.

Paid for by the Committee to Elect Grace Dopp Wegner for Probate Judge.

“When I saw this car, I knew I had to have it.

“I can’t honestly say I gave too much thought about where to get the loan. I thought all there was to choosing a car loan was finding the lowest rate.

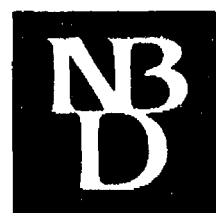

“Good thing Mom was along. She set me straight and sent me to NBD.

“They explained that there were other things to consider, such as the length of the term, fixed or variable rates—even the possibility of leasing. Most of all, they made it clear they really wanted to help me get my car.

## Boy Scout Troop Continues Newspaper Recycling

With the opening of the recycling center at the Crawford/Otsego Landfill, Boy Scout Troop 979 would like to remind everyone that they will be continuing its year-round newspaper drive.

The paper drive, which has been running continuously for the past few years has been a growing success in the Grayling area. The Boy Scouts are now collecting an average of 11 tons of recyclable newspaper, computer paper, and cardboard. This amount has

grown considerably from the average 3 tons collected per month when the program was first taken over by Troop 979 from the now defunct Troop 997 in August of 1984.

Money collected from the sale of these papers goes towards the purchase of equipment and the rechartering of the Troop each September. Materials being collected by the Boy Scouts include newspapers, computer paper, and cardboard. NO MAGAZINES PLEASE, as

they cannot be used.

Troop 979 operates two drop sites, one is the garage at the Grayling Township Transfer Site on North Down River Rd., while the other is the Semi-Trailer located at Goodale's Mini-storage in the Grayling Industrial Park. A third drop site is being negotiated for the South Branch Township transfer Station.

## Crawford County Community Services Needs Extra Help

## 'Teens on Campus' 4-H Workshop At KCC Open to All Teens

Do you like to have fun? Learn new things? Make new friends? If the answer to these questions is "yes!" then the 4-H "Teens on Campus" program will be perfect for you. It is a day of learning and exploring designed by the Roscommon County 4-H Youth Program of the MSU Cooperative Extension Service for youth in Roscommon, Crawford, Ogemaw and Oscoda Counties. With the cooperation and support of Kirtland Community College, volunteers who are teaching class sessions, and interested parents, a great variety of classes are offered—some serious, some just for fun!

"Teens on Campus" will be held at Kirtland Community College on Saturday, November 5, for 6th through 12th grade students. Participants do not have to be in 4-H to come and learn. Class sessions will include: XC Skiing and Ski Skating, Choosing a Career, Sports Diet and Fitness, Weight Loss for Teens, Intro to Golf, Art on Campus, Careers in Mental Health, Pet Care, How to Use Your Brain without Pain, It Only Takes Once, Restaurant Jobs: Do you have what it takes?, Microwave Connection, and more! Participants will have the opportunity to choose three class sessions to attend during the day. Cost for the program is \$5.00 which includes a catered lunch, beverage, and all class materials. Forms for registration are available at your local county Cooperative Extension Service 4-H office. Registration deadline is October 25.

For more information contact Cathy Spencer, 4-H Program Assistant, at the MSU Cooperative Extension Service in Roscommon, 275-5043.

# LEX *supports* JOE WHITE!

Former Sheriff Joe White with tracking dog unit "Lex"

## An Open Letter From Joe White

Dear Crawford County Voters,

As former sheriff of Crawford County, I am especially distressed at the decline of professionalism, service and courtesy in the Sheriff's Department over the last four years.

Change can only come from the top, so I am seeking the office of Sheriff once more.

Who you vote for as president is your business. Who you vote for as Sheriff is Crawford County's business. That's why I'm urging all voters — Democrats and Republicans — who are concerned about the quality of life and the safety of their family and property to vote for me on November 8th.

Thank you.

Sincerely,  
Joe White

## What has happened to the Sheriff's Department in the last four years?

Nothing much except...

- Costs have risen • Sheriff's pay has risen 35% • 37% personnel turnover

## As sheriff, Joe White instituted —

- An effective tracking dog unit.
- A S.W.A.T. Team for emergencies.
- A detective unit to solve crimes.
- The Citizens Watch Plan to encourage people to work with their Sheriff's Department.
- An effective Drug Enforcement Plan.
- Security Cameras for the jail.
- Special training for Department officers.

## Here is what Joe White will give you —

- Experience** • 26 years in police work • 4 years as Sheriff
- Efficiency** • No favoritism • Full use of modern police tools
- Cost Control** • No "extra" budget supplements • No unneeded idle equipment
- Honesty** • No promises that are not kept
- No "little" special deals for anyone
- Citizen Service** • Restoration of the Citizen's Aid Program
- An "open door" policy for citizens to voice their problems.
- Restoration of our tracking dog unit.
- A closed door policy for criminals.

## Obituaries

### Dena Hunter

Dena D. Hunter, 65, of 505 Park Street, Grayling, passed away at Mercy Hospital, Grayling, on Tuesday evening, October 11, 1988. She had been hospitalized for sixteen days following a heart attack.

Eldena was born on July 23, 1923, in Au Gres, Michigan, to Otto and Carrie Becker Dreyer. The family moved to Flint where Dena attended school and graduated from Northern High School.

On February 21, 1943, she married Leslie R. Hunter in Tulsa, Oklahoma, where he was stationed in the Air Force. Later that year they returned to Grayling to take over ownership of Hunter's Dairy which they owned and operated for 28 years. She also helped her husband operate the concessions for the Grayling Winter Sports Park, Bear Archery Company and Skyline Ski area, from which they had retired several years ago.

Dena had been a member of the Grayling Woman's Club and a member of the Sorenson Bowling team for 30 years.

Survivors include her husband, three daughters, Gail D. of Marietta, Georgia, Mary K. of Seattle, Washington, and Paula J. of Decatur, Georgia, four sisters, Norene O'Malley of Flint, Alma Clement of Flint, Louise Prudence of Flint and Eda Howe of Willows, California. She was preceded in death by her parents and one daughter, Pamela L. Hunter.

Memorial services were held at Sorenson Funeral Home on Saturday, October 15, at 1 o'clock, with Rev. Jeff Regan, Rev. Donn Broeker, and Rev. Dwight Knasel officiating. Cremation took place and the remains will be placed on the Hunter family plot at Elmwood Cemetery, Grayling.

### Shirley Bonnington

Shirley Joy Bonnington, born June 1, 1926, passed away October 9, 1988, at Grayling Mercy Hospital. She is survived by her husband James R. Bonnington, seven children, Heather Hutton, Craig, JoEllen, Kimberly, Patricia, Laurie and Brent Bonnington, and five grandchildren, James Hutton, Andrew and Adam Bonnington, Christopher and Elizabeth Bonnington.

Burial service was held Oct. 12 in Elmwood Cemetery. Funeral services were held at Hately Funeral Home, Southfield on Oct. 11.

### Joseph Mufter

Joseph Mufter, age 59, of South Branch Township, died Oct. 7, 1988. Born in Detroit November 21, 1928, he was employed in the automotive business in quality control, formerly of Westland. He has resided in Crawford County since 1974.

Survivors include his wife, Jeanette, one son, Albert R. Smith, of Westland, two grandchildren, Christopher and Phillip, also his father, Joseph Mufter, of Roscommon. Funeral services were held Monday, October 10.

### Dudley Lea

Dudley Laser Lea of Findlay, Ohio, died Tuesday, October 11, 1988 at Blanchard Valley Hospital. Mr. Lea was one of the founders and original directors of Trout Unlimited, conservation organization to preserve trout fishing.

Funeral services will be held October 20, at 10:30 a.m. at the Kirkpatrick-Behnke Funeral Home. He is survived by his wife, Mary Marks. Memorials may be sent to Trout Unlimited, 501 Church St., N.E., Vienna, Virginia 22180.

### A THANK YOU

We wish to thank so many members of the Grayling community for their support during the time of our great loss. To the ambulance crew and the staff of the Grayling Mercy Hospital for the kindness and care of our loved one during her illness and death on Oct. 11, 1988. To Sorenson Funeral Home for the personal assistance in helping us through this difficult time. Our gratitude to the women of the Free Methodist Church for providing a lovely luncheon.

To: Rev. Broeker, Rev. Knasel, and Rev. Regan for their participation in such a special memorial service.

To every wonderful friend who sent flowers, cards, food, memorial monies or said prayers and words of encouragement, the family of Dena Hunter shall be forever grateful.

Dena will be sadly missed by her family and friends.

God Bless all of you,  
Gail, Mary, Paula,  
and Les Hunter

## The "Ten Commandments of Firearm Safety in the Field"

**H**unting Season in Michigan. A time for more than a million sportsmen and women to participate in one of our greatest outdoor sports—hunting for small game, waterfowl, and whitetailed deer.

It is also a time for caution and common sense. For in hunting, there is nothing more important than safety.

Here are the "Ten Commandments of Firearm Safety in the Field." They are a list of rules designed to make hunting a safe and rewarding experience. They could also save your life.

1. Treat every gun as if it were loaded—you can never guarantee that your chamber is unloaded. So give an unloaded firearm the same respect you'd give a loaded firearm.
2. Watch where you point your gun muzzle—never point the muzzle of your firearm at yourself or anyone else, even if it is unloaded.
3. Know your firearm and its ammunition—before you load, make sure your firearm is in safe operating condition and the barrel is free of obstructions. Double check the specifications of your ammunition to make sure it fits your gun.
4. Do not load your gun before you are ready—Why take chances? When travelling to and from your hunting blind, take down or have your actions open, and always carry your firearms unloaded in their cases.

5. Be sure of your target—and beyond—before you squeeze the trigger, make sure that you have carefully identified your target, then look past it to be sure it is safe to shoot.
6. Beware of fatigue when hunting—when you've been out in the woods a long time fatigue can cause carelessness which can cause accidents. A loaded firearm can accidentally fire with a single, unexpected jar, so watch your step.
7. Don't take chances with a loaded firearm—never step over fences, jump ditches, or make other awkward or unbalanced moves while holding a loaded firearm.
8. Use care when practicing—when shooting for practice, make sure your backstop will prevent ricochets and

protect bystanders. Bullets can ricochet off rocks, trees, metal, water, and other hard surfaces.

9. Store your guns safely—when not in use always store firearms unloaded, away from ammunition, and out of the reach of children and inexperienced users.

10. Remember—Alcohol, drugs, and firearms don't mix—never consume alcohol or other mood altering drugs before or during target shooting or hunting.

be a good sport...  
play it safe

## Too Few Carrying Load For Canoe Marathon

The AuSable River Marathon has grown and improved during the last several years to regain its claim as one of the top canoe racing events in North America. The improved stature of the Marathon has attracted more top out-of-state paddlers, increased spectator interest, and steadily increasing media coverage.

The effort required to stage the Marathon has grown commensurate with its expansion and improvement.

Since 1984 the Marathon has been staged by a non-profit corporation which was formed solely for the purpose of organizing and promoting the event - The AuSable River International Canoe Marathon, Inc. (ARICM). This group is comprised of race fans interested in contributing their time and effort to assure the continuation of such a unique event.

Overall decisions are to be made by a twelve member Board of Directors, evenly divided between representatives of Grayling and Oscoda. Each town also has the option of naming six Alternate Directors, to act in a Director's absence.

The joint Grayling-Oscoda Board has not always functioned smoothly, with meetings in the early years marked by vocal disagreements over many matters as the Marathon struggled to grow. In recent years there has been a great deal of cooperation as the group has set common goals and worked toward them. Unanimous approval of Board actions is now the norm.

Ideally, working committees comprised of the ARICM Directors and other race fans

are to handle fundraising and race preparations in the local communities. This group has worked quite closely with the AuSable Milltown Festival committee to coordinate activities and maximize the benefits of these two events to the community.

However, through 1988 the core group responsible for staging the Marathon has never numbered more than six in Grayling nor more than four in Oscoda. Staging a successful event with such limited active support was feasible before the Marathon grew and improved, but is not realistic with the expansion of the event that has taken place in the last several years.

### EVENT BUDGET

No Marathon has been concluded with deficit since ARICM, Inc. was formed in 1984. During that time the advertised purse has increased from \$7500 to \$25,000 and the overall budget from just over \$12,000 to \$35-40,000.

Expenditures for the 1988 Marathon totaled approximately \$35,000, down somewhat from \$41,000, in 1987. Reduced sponsor participation combined with no surplus carried over from 1987 to necessitate budget cuts in several areas. The low number of professional finishers reduced prize money expenditure and contributed to the '88 Marathon finishing slightly in the "black".

The largest single expense is the purse, with public relations and program book printing costs each accounting for about ten percent of expenditures. A smaller percentage of the '88 budget was dedicated to such areas as: Safety and logistics, events,

trophies, entry recruitment and insurance.

Over two-thirds of the Marathon budget is raised within the local communities through program-book ad sales, raffles and Marathon souvenir sales. The remaining balance, less than one-third, comes from sponsorships.

The attraction of major sponsors has facilitated the Marathon's growth in recent years. The committee is now looking at alternatives which would provide funding to further improve the Marathon and to take advantages of the media exposure opportunities offered by an event of this stature.

### FAN PARTICIPATION

Beyond providing area residents a fun and challenging experience, the Marathon benefits the community by attracting visitors in conjunction with the AuSable Milltown Festival and by generating significant positive media exposure. Both spectator and media interest in the Marathon have climbed over the last several years.

The number of spectators at the start and along the course of the race has climbed significantly, perhaps peaking last year with the increased interest generated by the visit of the Budweiser Clydesdales. This year's Friday start diminished crowds somewhat, but attendance is expected to rebound with a return to a Saturday start in '89.

A strong PR effort resulted in greatly improved downstate TV and newspaper coverage of the '88 Marathon. Video tape "dubs" were sent to TV stations throughout the state and were used by most of the metro-area outlets. The Detroit Free Press did several stories as did other major

papers including the Bay City Times, Saginaw News and Lansing State Journal.

### THE FUTURE OF THE MARATHON

The Marathon is unique in that it is a public event and has been organized and supported by fans on a voluntary basis. No admission has ever been charged, no salary has ever been paid to a race organizer.

The committees in both Grayling and Oscoda hope to continue staging and improving the Marathon. A very small and active group of fans has worked throughout the year to stage the Marathon with help from dozens of volunteers on race day.

As the Marathon has grown and improved over the last several years, the effort required to stage it has increased likewise. Additional volunteer help, both for pre-race committee work and the day of the race, is needed to assure the continuation of this world class event.

### ASSISTANCE REQUESTED

There will be a meeting 7:00 p.m. Monday, October 24 in the second floor "Boardroom" at the Grayling Holiday Inn for those Marathon fans who would like to contribute some time and effort toward a successful 1989 Marathon.

The committee is evaluating whether and how to proceed with planning for the 1989 Marathon. Your comments, suggestions and assistance will be accepted with thanks.

If you would like to help or offer input, but cannot attend the Oct. 24th meeting, call John Cherven or Marlene Ritter at 348-2554, or call Steve Southard or Walt Tison at 348-5844. You may also write the Marathon Committee at P.O. Box 911, Grayling.

### Crawford County Board of Commissioners

September 29, 1988 Regular Meeting  
SYNOPSIS

The Regular Meeting of the Crawford County Board of Commissioners was held on the 29th day of September, 1988 in the City of Grayling at 9:30 a.m.

Commissioners present: Kitchen, Harland, Haight, Mattis, Ruddy, Geiss and Joyce. County Clerk Elizabeth Wieland present. There were 19 visitors present at various times.

#### IN FORMAL ACTION, COMMISSIONERS:

— Accepted the minutes of the 9-13-88 meeting with a minor correction.

— Approved payment of \$15,926.60 to Al Bennett Ford for the 1989 Ford E-350 Ambulance chassis, to be taken from the Ambulance Replacement fund.

— Accepted 21 pieces of communications.

— Executed the Project Review and Summary Orientation Report for project No. MAL 89 033A - the grant approved for New Life Community Services by the MI Dept. of State Police, Office of Highway Safety Planning.

— Rescinded the Regular Meeting to go into a Public Hearing on Truth in Taxation pursuant to P.A. 5 of 1982 (10:00 AM). The Board, by resolution, chose to hold a public hearing to justify the need to continue to levy their full millage. If no hearing was held the County General Fund revenues would be cut back \$81,000.00. The millage levied by the County is for the General Fund, Commission on Aging, Transportation Authority, and Grayling Recreation Authority equal to 7.80 mills totally. There is no new millage involved.

— Supported Grayling Township's Resolution supporting the operations at Camp Grayling necessary to maintain a defensive force for the protection of the rights of our democracy.

— Supported Saginaw County's Resolution requesting financial assistance from the State for provision of services under P.A. 22, 40, 71, and 72 of 1988 and the 1988 Revised Juvenile Court Rules.

— Ratified the bargaining agreement between the Sheriff, Board of Commissioners and MI Fraternal Order of Police, effective from date of execution through 1-1-89.

— Submitted a notice to Dept. of Commerce, Management Services Bureau - Financial Mgmt. Division indicating reimbursable expenses of \$102,300.00 has been incurred through 9-30-88 on the Community Development Block Grant No. 87-03 HO.

— Raised no objection to the proposed amendment to the by-laws of the Grayling Regional Chamber of Commerce naming the County as the recipient of the assets of the Chamber in the event of a dissolution. No liability would be assumed by the County in being named the recipient.

— Rescinded the motion to add a sixth member position to the Planning Commission.

— Listened to a report by Deputy Tim Coe on the logging sled discovered by him and City Deputy Robert Butzin at the bottom of Lake Margrethe. The Commissioners will appeal to the DNR to place the sled in the Crawford County Historical Museum after the preservation process.

#### IN OTHER BUSINESS, COMMISSIONERS:

— Endorsed Calhoun and Van Buren County's resolution objecting to the Property Tax Transfer increase. Consensus of the Board was for Chairman Mattis to carry out the request of MAC opposing SB-900.

— Heard that a special meeting on the Lefarge/Sayteck Waste to Energy Project is scheduled for October 24th in Lewiston.

— Listened to a report on the progress of the new Mental Health Building and Transportation Building - both are coming along very well.

— Were informed of the mis-information that may have hindered passage of the additional millage for the Commission on Aging in August, which should be cleared up - the additional millage was also for programs, not just a new facility.

— Learned some students from U of M are working with the Public Health Dept. on the WIC Program and that a cholesterol machine has been purchased and is in use.

— Received an inquiry relative to the old church benches that had been offered to the Fair Association. If they do not want them, they will be offered out for bid.

— Received a request from the AFSCME Union requesting a breakdown on the stated increase in wages received and also the information on the study being made on the job classifications.

— Heard an update on the progress of the transfer of the ambulance box to the new chassis by Clio Systems, Inc.

— Listened to an update on new laws for Probate Court. Prosecution for 15-16 year olds in District and Circuit Courts for Class 1 felony offenses will be mandatory unless a request is made by Prosecutor to prosecute in Juvenile or Probate Court and they must be heard by an attorney. If juveniles are incarcerated, they cannot come in contact with other adults, which eliminates our facility. Some 12 new laws have been adopted and 3 or 4 more will be effective in October. Additional state assistance will be needed to implement these changes.

— Heard brief updates from various other committees.

Full text of official minutes are on file in the Clerk's Office.

Lawrence Mattis - Chairman

Elizabeth H. Wieland - Clerk/Reg. of Deeds

### Schrock Finishes 28-Day Outward Bound Course

Kory McDougall Schrock recently completed a 28-day course at Voyageur Outward Bound School. Outward Bound is the oldest adventure-based education organization in the United States.

Courses are designed to develop and enhance self-confidence, self-esteem, leadership qualities, teamwork and empathy for others, community service

and sensitivity to the environment.

He received instruction in technical skills, safety, first aid, search and rescue, shelter construction, wilderness cooking, environmental awareness and conservation, map and compass reading, knot-tying, rock climbing, rappelling and white water canoeing.

He is now a member of one of the largest Alumni groups in the county.

### National Aptitude Test Set For Oct. 18 at GHS

On October 18th, the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) will be given by the Counseling Department at Grayling High School. This test is normally recommended for all college bound juniors: 1. for practice in taking a College Admissions exam, and 2. to enter into the PSAT/NMSQT scholarship competition. Because of the new PACT test now offered to sophomores, the counseling department will change its emphasis on the PSAT.

These students should consider taking the PSAT:

1. Students whose GPA places them near the top of

their class and/or who generally score high on standardized tests.

2. Students who took the SAT in middle school and scored high.

3. Students who are considering attending a college/university outside of Michigan and may need to take the SAT to be admitted.

4. Students who are applying for any scholarship that lists the PSAT as part of the qualifying criteria.

Students planning to take the PSAT must pre-register in the Counseling Office by October 13th, and pay a \$5.25 registration fee.

For further information regarding the PSAT/NMSQT, please call the counseling office at 348-7641 ext. 29.

**Resource Review**

By Bruce Patrick  
Conservation Officer

A recent amendment to the Marine Safety Act is sure to cause questions and consternation. Public Act 56, 1988 provides for an increase in the fee structures for boat registrations. One of the provisions requires the registration of all canoes beginning January 1, 1988.

Previously, only those canoes which were motorized or used for commercial purposes needed to be registered. The first of the year, a \$4.50 and a \$11.00 fee will be required for non-motorized and motorized canoes, respectively.

Several questions came to

mind when I heard of this legislation. First of all, what constitutes a motorized canoe? The answer is that a motor has to be used with a canoe for it to be motorized.

A square stern canoe, built for use with a motor is not considered motorized by itself. The response to my second question was that the registration certificates for canoes will clearly indicate their status. A person will not be able to use a motor on a canoe which is registered as non-motorized. As with all registration certificates, this one must be with the watercraft when it is in use. My

third question concerned specialized canoes, such as those used in the AuSable/River Marathon. I found out that although the canoes may not necessarily have to be registered during the race, they will need to be registered during practice sessions.

When I inquired into what prompted this move, I was informed that the legislature passed the law as a means to provide revenue for the Michigan Harbor Development Fund. It will also provide money for the construction and maintenance of other access sites throughout the state.

**Recipes**

By Phyllis Brummer

Twice-baked potatoes are not new on the culinary scene. We have all made them with the usual stuffings of sour cream, chives, cheese, bacon bits, etc., but the current issue of Gourmet contains some recipes for making a large baked potato into a light lunch or dinner main dish. Use baking potatoes of about 1/2 pound each and bake until done and remove the pulp, either mashing it until light and fluffy or putting it through a ricer. Either a microwave or conventional oven can be used, but some of these fillings are rather substantial and would be best served in a crisp shell rather than the soft skins resulting from microwave baking.

O'Brien potatoes - 2 potatoes  
For this one recipe, the pulp is not mashed but coarsely chopped.

Cook one cup chopped onion in 5 tablespoons butter until soft. Add 1 green pepper, coarsely chopped and cook about 2 minutes. Add chopped potatoes and cook until potato is slightly browned. Stir in a 4 ounce jar of pimientos, drained and chopped. Heat through and divide the mixture among the shells.

Corn and Stuffed Potatoes with Bacon - 4 potatoes

This recipe calls for Kale, but unless you have access to it, substitute cabbage. Cook 2 1/2 cups firmly packed kale in 1 1/2 cups water, 3 tablespoons butter, and 1/2 teaspoon caraway seeds until just tender. Transfer kale with slotted spoon into a bowl and boil liquid until it is reduced to about 1/2 cup. Cook 4 slices bacon until crisp, drain and crumble. Add 2/3 of the bacon to the kale and potatoes and enough of the liquid to make a creamy consistency. Divide among potato shells, sprinkle with remaining bacon and return to oven to heat through.

Chicken and Broccoli-Stuffed Potatoes with Monterey Jack Sauce - 2 potatoes  
1 chicken breast, skinned, boned and halved  
1/4 lb. mushrooms, sliced thin  
2 c. 1" broccoli flowerets  
1/4 c. coarsely grated Monterey Jack cheese

Saute chicken in one tablespoon butter about 7 minutes on each side until just tender. Remove and chop coarsely. Add

another tablespoon butter to the skillet and add mushrooms. Cook until mushrooms give off their liquid and add to the chicken. In a pan of salted water, cook broccoli for 2 minutes until tender-crisp, drain well and add to chicken mixture. Combine with potatoes and divide among the shells. Make the sauce: Cook one small chopped onion in one tablespoon butter until soft. Add 1 1/2 tablespoons flour and cook 3 minutes, stirring. Add one cup milk, stirring, and simmer about 15 minutes. Remove from fire, add 1/2 teaspoon ground cumin and 3/4 cup coarsely grated Monterey Jack cheese. Place the filled skins in a baking pan, pour sauce over the tops and sprinkle with the 1/2 c. grated cheese. Bake at 400° until sauce is golden and bubbly.

Bacon and Cheddar Souffleed Stuffed Potatoes - 2 potatoes

To the mashed potato pulp, add 3 tablespoons unsalted butter, 2 tablespoons milk, 1/8 teaspoon cayenne, 3 tablespoons chopped green onion, and 3 large egg yolks. In a bowl, beat 3 egg whites with a pinch of salt until they barely hold peaks and stir 1/3 into the potato mixture along with 5 slices bacon, cooked, drained, and crumbled, and 1 cup coarsely grated Cheddar cheese. Fold in remaining egg whites carefully and fill shells only to the rim. Place remaining mixture in a small buttered baking dish. Arrange potatoes in a baking dish and sprinkle with 1/4 cup grated Cheddar. Bake potatoes and extra souffle at 400° for 20-25 minutes until slightly puffed and set. A light meal deserves a heavy dessert!

**Turtle Cake**

Prepare one package German chocolate cake mix according to the directions on the box. Bake one half the mix in a greased and floured 9 x 13 pan in 350° oven for 15 minutes. Meanwhile, in top of double boiler melt together a 14 ounce package of caramels, 7 ounces (1/2 can) sweetened condensed milk, and 1/4 pound butter or margarine. Remove from fire and cool slightly. Pour over baked half of cake. Over this pour the remaining cake batter. Sprinkle with 6 ounces chopped pecans and 6 ounces semi-sweet chocolate chips. Bake 20-25 minutes. Serve warm if possible, topped with whipped cream.

**Doodles from the Tall Timber**

By Wendell L. Hoover  
Hartwick Pines Interpreter

The weatherman says it is going to be cold and all that I see confirms that. The squirrels and deer took on their winter coats some time ago. I see few robins or blackbirds and the skies have echoed to the calls of south bound geese. Even we humans have heeded the

warnings as evidenced by growing wood piles, snow tires and storm windows.

In all your preparations for the coming of winter don't forget to clean out the bird houses and lay in a supply of bird feed. The birds visiting your feeder will often make a dark winter day seem brighter. While squirrels do eat a lot, all the antics they engage in while trying to get into a squirrel proof feeder are worth a lot of laughs.

The little oak across the road from the office has turned to a very dark red and the maples beyond it have all but lost their leaves. If you haven't noticed the pines are showing tinges of brown too, which is because needles over one year old are dying and falling off. The resulting pine straw makes an excellent mulch by the way.

While nature is in the process of getting ready for winter, we too are preparing. As I entered the workshop this morning, the

cross country ski trail signs were being painted so perhaps with all the other things to do, check your skis. It won't be long now.

**BUDDY'S WORKSHOP****Hiring a Chimney Sweep**

I really don't trust myself when it comes to cleaning and inspecting our fireplace and chimney. I know that if things aren't done right, the chances of a fire are greatly increased. I want to hire a professional, but I'm not quite sure about what kind of credentials a chimney sweep should have. Any suggestions would be appreciated.

Maybe the most important thing you should check for is that the sweep has insurance. If he does, you'll know that he (or she) takes the business seriously. Also ask for and check out all of the sweep's references. Finally, you can find a sweep that is certified by the National Chimney Sweeps Guild. For a list of who is certified in your area, write them at P.O. Box 563, Olney, MD 20832.

Sometimes, when our commode is flushed, the water doesn't turn on for two or three minutes. Then it starts filling up very slowly before the water reaches full pressure. What's wrong?

One of your problems could be that the ballcock or float is being blocked, so it can't drop when the commode is flushed. If it doesn't drop, the valve stays shut. Take the lid off the tank and make sure all the moving parts are unobstructed. The ballcock could also be corroded, which can make it stick. If the ballcock falls every time but water still doesn't come out at full pressure, the washer could be worn out or there could be a small piece of sediment blocking the water inlet.

**PROBATE  
IN PERSPECTIVE  
BY: GRACE DOPP WEGNER**

Most people are aware of the fact that they should have a will and an estate plan so that upon death their estates can be administered and distributed to their beneficiaries promptly and efficiently. However, many people fail to plan adequately for lifetime disability. You might want to consider having a **DURABLE POWER OF ATTORNEY**.

A regular Power of Attorney, is when you, as "principal", name another individual or a bank as your "agent" or "attorney-in-fact", to act for you in doing those things you do in managing your day to day affairs. The authority that you give to your agent can be as broad (for example, to do anything you could do) or as narrow (for example, to sell a particular piece of real estate) as you choose to make it. A power of attorney should be in writing and signed by you so that your agent has something to show as to his or her authority to act for you.

A **DURABLE POWER OF ATTORNEY** is a written power of attorney which contains the words "This power of attorney shall not be affected by my disability", or "This power of attorney shall become effective upon my disability" or similar words. In order to be valid it must be signed by you before you become disabled.

The advantages of a **DURABLE POWER OF ATTORNEY** are that you, and not the Court, select your agent. It may give you peace of mind to know that you have named someone to handle your affairs and the time and expense of a court proceeding are eliminated.

It is recommended however that you consult with an attorney who can prepare a **DURABLE POWER OF ATTORNEY** to suit your needs and advise you on its use.

## The Bible Speaks

From Calvary Baptist Church

### The Gospel of John

#### Part #53 Stone or Worship the Shepherd?

The Jews had challenged Jesus, "...If thou be the Christ, tell us plainly." (John 10:24b). By His concluding declaration, Jesus left no doubt, "I and my Father are one." (John 10:30). The Greek word translated one is in the neuter gender. Therefore, Jesus Christ claimed to be of the same essence and substance as God the Father. In other words, Jesus Christ claimed to be God. The Jews understood the message clearly. "Then the Jews took up stones again to stone him." (John 10:31). The word "again" reminds us of John 5:17, 18 where the Jews "...sought the more to kill him because he said also that God was his Father, making himself equal with God." They again tried to stone him when he claimed the "I AM" title as Jehovah God in John 8:58, 59. Jesus asked them for what good works they were trying to stone him. (John 10:32). "The Jews answered him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God." (John 10:33).

"Jesus answered them, Is it not written in your law, I said, Ye are gods?" (John 10:34). Here Jesus reminded them of Psalm 82 where unjust Judges of Israel were called gods because they acted as representatives of God. Therefore, Jesus argues from the lesser to the greater. "If he called them gods, unto whom the word of God came, and the scripture cannot be broken; say ye of him, whom the Father hath sanctified, and sent into the world, Thou blasphemest; because I said, I am the Son of God?" (John 10:35, 36).

Jesus reminds the Jews they have no scriptural basis to stone Him for the words He used. If those receiving and administering the Word of God were called gods, how much more could the Word of God incarnate, God's only begotten Son be called the Son of God?

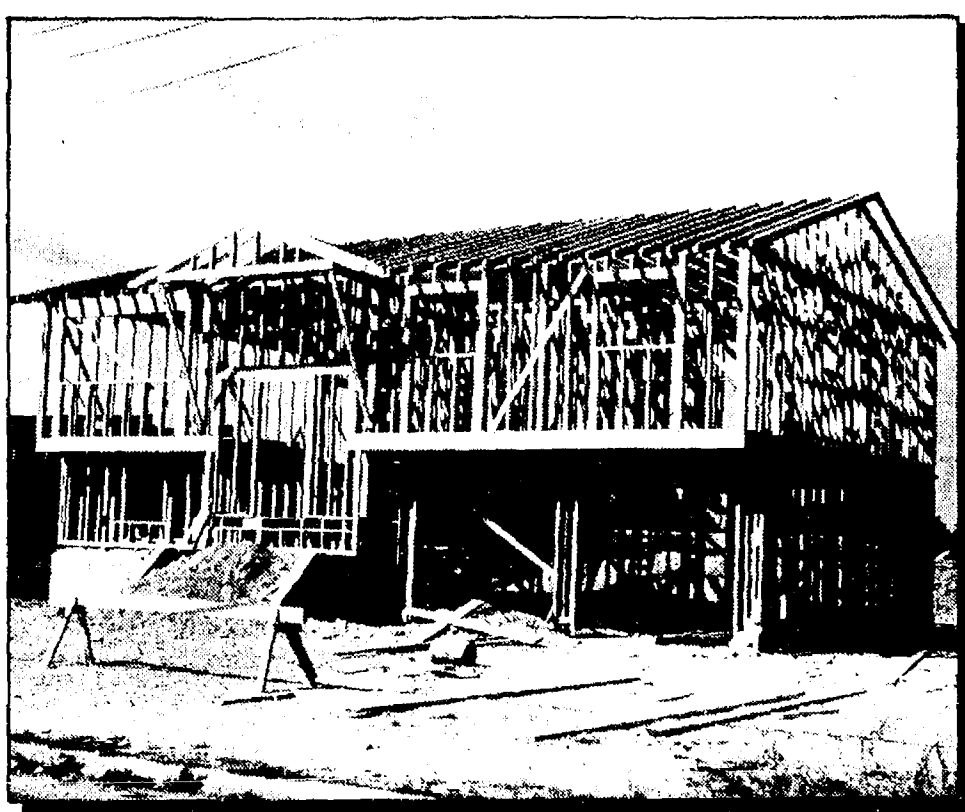

Jesus challenged the Jews to look at the factual evidence of His identity by His works. "If I do not the works of my Father, believe me not. But if I do, though ye believe not me, believe the works: that ye may know, and believe, that the Father is in me, and I in him." (John 10:37, 38). Jesus repeats His claim to deity based upon His divine miracles. He tells the Jews these works prove "...that the Father is in me, and I in him." Jesus is repeating His claim, "I and my Father are one." "Therefore they sought again to take him; but he escaped out of their hand." (John 10:39). The chapter ends with Jesus reaping worship from those who had heard the Word of God from the lips of John the Baptist at the Jordan river, "And many believed on him there." (John 10:42). Jesus Christ is worshipped as God, because He is God!

## CHURCH DIRECTORY

## BLESS THIS HOUSE

There is a family somewhere who will live in this house.

God surely wants to bless this house. But God generally seems to accomplish His aims through the lives of people.

So, when that family somewhere finally moves in—God can begin right away to bless this house. As their faith is expressed here... as their hopes and fears are spoken in prayer... as they gather in Church with their neighbors to worship, and learn, and grow... as they strive earnestly to serve God and to share His love.

And that's precisely the way God wants to Bless Your House.
